

Title VI Program

What is Title VI?

Title VI is a statute provision of the Civil Rights Act of 1964. Title VI (Sec. 601) of the Civil Rights Act of 1964 provides: *"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."* (42 U.S.C. Sec. 2000d)

Additionally, Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations 1994 provides: *"Each Federal agency shall make achieving environmental justice part of its mission by identifying and addressing, as appropriate, disproportionately high and adverse human health or environmental effects of its programs, policies, and activities on minority populations and low-income populations."*

Related Statutes provide protection against discrimination on the basis of sex, age, or disability by programs receiving federal financial assistance.
