Re: Contract 01-OC3504
Bids Opened: Nov. 13, 2014
Protest of Bid of Ghilotti Bros.

Dear Mr. McMillan,

O.C. Jones & Sons, Inc. (OCJ) was the second monetary bidder on the above referenced project. With this letter, we protest the bid submitted by Ghilotti Bros., Inc. (GBI), the lowest monetary bidder. In their Nov. 14, 2014 letter to the Department of Transportation (Caltrans), GBI claimed a "clerical error" in their submitted subcontractor listing. OCJ contends that GBI made not one, but two errors in their subcontractor list submission, and was disingenuous in their explanation.

1) GBI actually made two errors in their subcontractor list

GBI did in fact list Mike Brown Electric (MBE) for the two Rumble Strip items (21 & 22), as claimed in their 11-14-14 letter. OCJ acknowledges that MBE does not perform Rumble Strip Work. However, they compounded the "clerical error" by listing MBE for 100% of these two work items in their 24-hour subcontractor list submission (see attachment 1). If the listing of MBE for items 21 & 22 was a "clerical error", as GBI claims, why was the error not addressed in the 24-hour subcontractor list submission?

2) GBI was disingenuous in their explanation of the clerical error

The GBI letter states that they "intended to list Linear Options Inc. (LOI) to perform the Rumble Strip work on this project." We agree with this statement as OCJ also listed LOI for the Rumble Strip work. However, GBI fails to mention that it was their intention to list MBE for the electrical portion of the project (item nos. 45-47). Six of the seven other bidders listed either MBE or W. Bradley Electric for the electrical portion of the project (see attachment 2). GBI bid items 45-47 consistent with the dollar amounts bid by MBE to all other bidders. In fact the third and fourth monetary bidders both listed MBE

11-21-14

for electrical work and bid items 45-47 for amounts matching GBI's bid (see attachment 3). While OCJ acknowledges that it is in GBI's right to self-perform the electrical items of work, it is clear that GBI did not completely explain the depth of the "clerical error" made in the submission of their bid. GBI fully intended to list MBE for items 45-47, but instead listed them for items 21 and 22. This is not mentioned in their letter to Caltrans claiming the "clerical error."

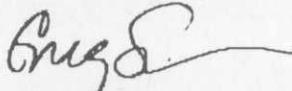

As required by Section 4107.5 of the Public Contract Code, GBI notified MBE of their "clerical error" in a fax transmission dated 11-14-14 (see attachment 4). However, by not accurately describing the depth of their error, as explained above, GBI has misled MBE. As a result, GBI did not allow MBE to "to submit to the awarding authority and to the prime contractor written objection to the prime contractor's claim of inadvertent clerical error", as described by 4107.5 of the PCC.

We request that Caltrans review the GBI claim of a "clerical error" and determine why it was duplicated a second time in their 24-hour subcontractor list, and why there is no mention of their original intent to list MBE for the electrical portion of work.

If you have any questions or require additional information, please contact me.

Sincerely,

O.C. Jones & Sons, Inc

Greg Soder

Secretary

This fax notifies Mike Brown Electric (MBE) that Ghilotti Bros., Inc. (GBI), when in the process of preparing the Subcontractor List for our bid proposal for Contract No. 01-0C3504, committed an inadvertent clerical error when we listed MBE to perform work as described in Bid Item(s) items 21 & 22. Bid items 21 & 22 are for Rumble Strip work, which MBE does not perform. GBI intended to list Linear Options Inc. (LOI) to perform the Rumble Strip work on this project. We hereby notify you in accordance with Section 4107.5 of the Public Contract Code that we have asserted our claim to correct this clerical error with Caltrans per the attached letter and declaration.

Thank you.
