October 5, 2010

Dear Contractor:

On behalf of the Business Outreach Committee (BOC), a consortium of Bay Area transit and transportation agencies with small disadvantaged business enterprise (DBE) programs, I invite you to join us on October 5, 2010, in the Atrium of the San Francisco Municipal Transportation Agency (SFMTA/MUNI), 1 South Van Ness Avenue, San Francisco, California, from 4 p.m. to 7 p.m. to hear about upcoming construction projects in and around the Bay Area and meet with prime contractors and agency personnel.

The Business Outreach Committee's mission is to assist disadvantaged business enterprises and other small and/or local companies with expansion of their businesses by developing relationships with transit agency staffs and the contracting community of the San Francisco Bay Area. This event will focus on helping the construction subcontracting community build effective relationships with primes, and facilitate the introduction and matchmaking of small and disadvantaged businesses with prime contractors who bid and perform on major transportation projects in Northern California. Don't miss this opportunity to meet key decision makers!

Enclosed is a registration form. Please RSVP by **October 1, 2010** to Gail Jackson via fax at (415) 257-4555 or e-mail at GJackson@goldengate.org. For further information or questions, please contact her at (415) 257-4581. We hope you will join us for this worthy event.
