Subject: Contract No. 01-0E2304
Bid Date: 08/13/2015
Your Letter Dated September 9, 2015

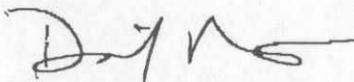

Dear Mr. McMillan,

We are in receipt of your letter dated September 9, 2015, finding Golden State Bridge, Inc. non-responsive for our bid on contract number 01-0E2304.

Heir and Son Construction was not aware that their DIR registration had lapsed, as they had paid the registration renewal fee in February of 2015. They immediately renewed the registration upon discovering its lapse. They paid the penalty of \$300, for inadvertent lapses in registration. The DIR offers a grace period as long as the registration is renewed by September 30th. Their DIR number 1000013234 is valid from July 1, 2015 and expires June 30, 2016. Attached is a print out from the DIR websites database stating that Heir & Son Construction is indeed registered.

In light of the above, please reconsider your finding that Golden State Bridge, Inc. is non-responsive.

Sincerely,

David Riccitiello
President, Golden State Bridge, Inc.

Dear Mr. Riccitiello:

The Department of Transportation (Caltrans) received a bid submitted by Golden State Bridge, Inc. (Golden State) for contract 01-0E2304 on August 13, 2015. By this letter, Caltrans notifies Golden State that its bid is nonresponsive because Golden State failed to comply with the Revised Standard Specifications, Section 3-1.03 Contractor Registration, which states:

"No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after April 1, 2013) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5".

Heir and Son Construction was listed on the Subcontractor's List form with a Contractor's License number 920906 and a DIR number 1000013234. The DIR number listed was not valid by the 10th business day, after bid opening.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder, provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the Amendments to the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Melissa Smith, Contract Awards Branch Chief, at (916) 227-6228.
