Dear Contractor:

Your bid was opened on October 22, 2013, for mitigation planting, erosion control, earthwork and install fence in Mendocino County near Willits at various locations.

Three bids were received for this project. After a review of a protest, it was determined that there were unforeseen deficiencies in the plans, specifications, and estimate, arising from the unique requirements of this project. The Department has decided to reject all bids. The scope of the work and the funding will be reevaluated and the project will be re-advertised at a later date.

We apologize for any inconvenience this has caused.

Sincerely,

A handwritten signature in black ink, appearing to read "John McMILLAN", written over a printed name.
