RE: Disabled Veterans Business Enterprise (DVBE) Number 41461

Dear Mr. Lavender:

Congratulations! We are pleased to advise you of the results of the site visit conducted by the Department of Transportation (Caltrans), Contract Evaluation Unit (CEU) staff on February 01, 2011. The purpose of a site visit is to ensure all certified DVBE firms that bid and provide services on Caltrans State funded projects are performing a commercial useful function (CUF). Caltrans initiated the affirmative step to verify CUF for DVBEs on Caltrans State funded projects and your firm was selected for a CUF review. After careful evaluation of the information and documentation obtained as a result of the site visit, pursuant to Military & Veterans Code (MVC) (5)(B)(1) and (B), your firm performs a CUF when providing the following type of services:

| | |
|--------|----------------------|
| 781918 | Road cargo transport |
|--------|----------------------|

You may review your firm's information on the Department of General Services (DGS) website at <http://www.dgs.gov/DVBE/CASES>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Please notify us immediately if any changes occur regarding your classification numbers or the types of services you provide. Failure to do so may result in your firm being listed on a project for a service that does not constitute a CUF. Consequently, your firm's DVBE participation on a contract may be disallowed and would not be counted toward a DVBE goal.

For information on contracting opportunities with Caltrans, please visit our website at <http://www.dot.ca.gov/hq/ceo/>.

Sincerely,

PEG A. BERGMANN
