Plans range from Lead, Arsenic, PCB and Asbestos Plans to Excavation and Transportation plans, NOA, and Dust plans as well as more comprehensive plans such as air quality Nox, noise monitoring, hazardous waste disposal, and more. *Call on the Experts!*

GENI - PROPOSAL
PROJECT #: 02-0H9604
PAGE 3 OF 4

SUPERSCRIPT NOTES

1. GENI carries the following insurance: \$2,000,000 General Liability / Pollution, \$1,000,000 Auto / Workman's Compensation insurance and an umbrella of \$2 Million over GL/Auto/WC.
 - A one time fifty dollar (\$50.00) processing fee will be added to all contracts requiring insurance endorsements for General Liability, Workman's Comp and / or Auto Insurance.
 - Insurance endorsements requiring CG2010#### or similar insurance and Primary wording will be charged an additional Two Hundred Seventy Five Dollar (\$275.00) processing fee.
2. Lease / Rentals: All items property of GENI and its Subcontractors; Sign installation excludes any cutting or coring of asphalt; Prices based on quantities noted. Customer is responsible for all vandalized, damaged or loss of equipment and completion of our indemnification agreement form. GENI shall be named as an additional insured and loss payee under the end users insurance policy. All construction area sign bids include installation and removal of signs only when noted on our bid line item.
3. Caltrans allocation of DVBE Credit 100%. Credit for participation of a DVBE subcontractor, supplier, or broker will be 100 percent provided such DVBE is performing a commercially useful function.
5. **Option 1:** Lead Compliance Plan certified by a CIH; **Option 2:** Includes option 1 and 2 hr. lead training for up to 10 personnel; **Option 3:** includes options 1 & 2 and air monitoring on same day as training, laboratory testing for up to eight 8 hour TWA samples (48 hr turn-around if required); Report Preparation by the CIH.
Additional Work: Air Monitoring for heavy metals (IH Technician @ \$75.00/Hr, CIH @ \$145.00/Hr both requiring 8 consecutive hrs min), Laboratory Analysis (at cost plus 20%); Price includes one move-in and rental of equipment. Additional move-in will be charged at \$TBD plus hourly personnel and equipment rates. **Call for published rate sheet.**
6. Price includes submittal of Three (3) copies of the Final WPCP delivered via FedEx ground. NOTE: GENI does not provide draft copies of its WPCP. Occasionally corrections and or additions will be necessary due to a multitude of reasons, upon the contractor becoming aware of any potential or required correction they are to provide a written request to GENI for our review and plan update if necessary. Corrections / additions to the plan due to errors or omissions on behalf of the contractor or the Agency may be billed to the contractor as time and material as noted below as T&M. Engineered designs required by a registered Civil Engineer are not part of this contract. **This bid does not include any associated filing fees or the design / layout of dewatering, recycling or batch plant BMP systems / drawings.**
 Maintenance of WPCP billing rates will be billed as Time & Material (T&M): T&M will be billed at a standard rate of \$92.50/hour for non-Civil Engineering services and \$145.00 / hour for Registered Civil Engineering services with all services being billed in ½ hour increments. Additional manuals: billed at \$75.00 for the initial manual and \$45.00 for each consecutively assembled manual. Material / additional expenditures will be billed at cost plus \$50.00 or cost plus 20 percent which ever is greater.
7. Unless specifically stated in this bid proposal the customer will pay for all additional shipping charges at cost plus a 15% handling fee.
8. (n/a) week minimum, GENI does not hold a C-31 License and cannot place equipment on site. Delivery / pick-up are not included in base price. When contracted to deliver or pick up equipment it is to delivered / picked up at contractor's facility or project yard. Rental is time out, not time used. Delivery times cannot be guaranteed. **ALL LEASES ARE SUBJECT TO AVAILABILITY. Prices are for this project only.** Regular pricing will be \$1,375.00 (CMS) and \$585.00 (Arrow board) per month for each piece of rental equipment if the minimum weeks are not met or exceeded.
9. Unless otherwise noted price does not include Sales Tax or F.O.B. costs if applicable.
10. Please contact GENI to set up an account with our firm to lease or purchase items off our web site or listed within this bid. Accounts are due and payable within 30 days of purchase. Interest charged at the rate of 1.65% per month.

Should you have any questions about the quotation please contact the undersigned,

Marshall Bridgeford

Plans range from **Lead, Arsenic, PCB and Asbestos Plans to Excavation and Transportation plans, NOA, and Dust plans** as well as more comprehensive plans such as **air quality Nox, noise monitoring, hazardous waste disposal, and more.** *Call on the Experts!*

SUPERSCRIPT NOTES

1. GENI carries the following insurance: \$2,000,000 General Liability / Pollution, \$1,000,000 Auto / Workman's Compensation insurance and an umbrella of \$2 Million over GL/Auto/WC.
 - A one time fifty dollar (\$50.00) processing fee will be added to all contracts requiring insurance endorsements for General Liability, Workman's Comp and / or Auto Insurance.
 - Insurance endorsements requiring CG2010#### or similar insurance and Primary wording will be charged an additional Two Hundred Seventy Five Dollar (\$275.00) processing fee.
2. Lease / Rentals: All items property of GENI and its Subcontractors; Sign installation excludes any cutting or coring of asphalt; Prices based on quantities noted. Customer is responsible for all vandalized, damaged or loss of equipment and completion of our indemnification agreement form. GENI shall be named as an additional insured and loss payee under the end users insurance policy. All construction area sign bids include installation and removal of signs only when noted on our bid line item.
3. Caltrans allocation of DVBE Credit 100%. Credit for participation of a DVBE subcontractor, supplier, or broker will be 100 percent provided such DVBE is performing a commercially useful function.
5. **Option 1:** Lead Compliance Plan certified by a CIH; **Option 2:** Includes option 1 and 2 hr. lead training for up to 10 personnel; **Option 3:** includes options 1 & 2 and air monitoring on same day as training, laboratory testing for up to eight 8 hour TWA samples (48 hr turn-around if required); Report Preparation by the CIH.
Additional Work: Air Monitoring for heavy metals (IH Technician @ \$75.00/Hr, CIH @ \$145.00/Hr both requiring 8 consecutive hrs min), Laboratory Analysis (at cost plus 20%); Price includes one move-in and rental of equipment. Additional move-in will be charged at \$TBD plus hourly personnel and equipment rates. **Call for published rate sheet.**
6. Price includes submittal of Three (3) copies of the Final WPCP delivered via FedEx ground. NOTE: GENI does not provide draft copies of its WPCP. Occasionally corrections and or additions will be necessary due to a multitude of reasons, upon the contractor becoming aware of any potential or required correction they are to provide a written request to GENI for our review and plan update if necessary. Corrections / additions to the plan due to errors or omissions on behalf of the contractor or the Agency may be billed to the contractor as time and material as noted below as T&M. Engineered designs required by a registered Civil Engineer are not part of this contract. **This bid does not include any associated filing fees or the design / layout of dewatering, recycling or batch plant BMP systems / drawings.**
 Maintenance of WPCP billing rates will be billed as Time & Material (T&M): T&M will be billed at a standard rate of \$92.50/hour for non-Civil Engineering services and \$145.00 / hour for Registered Civil Engineering services with all services being billed in ½ hour increments. Additional manuals: billed at \$75.00 for the initial manual and \$45.00 for each consecutively assembled manual. Material / additional expenditures will be billed at cost plus \$50.00 or cost plus 20 percent which ever is greater.
7. Unless specifically stated in this bid proposal the customer will pay for all additional shipping charges at cost plus a 15% handling fee.
8. (n/a) week minimum, GENI does not hold a C-31 License and cannot place equipment on site. Delivery / pick-up are not included in base price. When contracted to deliver or pick up equipment it is to be delivered / picked up at contractor's facility or project yard. Rental is time out, not time used. Delivery times cannot be guaranteed. **ALL LEASES ARE SUBJECT TO AVAILABILITY. Prices are for this project only.** Regular pricing will be \$1,375.00 (CMS) and \$585.00 (Arrow board) per month for each piece of rental equipment if the minimum weeks are not met or exceeded.
9. Unless otherwise noted price does not include Sales Tax or F.O.B. costs if applicable.
10. Please contact GENI to set up an account with our firm to lease or purchase items off our web site or listed within this bid. Accounts are due and payable within 30 days of purchase. Interest charged at the rate of 1.65% per month.

Should you have any questions about the quotation please contact the undersigned,

Marshall Bridgford

- **Message Board Delivery:**
 - Fee \$200.00 per board

Respectfully Submitted by,

Bonnie Heile
President / CEO

Roll 'N Rock Construction Inc.

Roll 'N Rock Construction Inc.

TERMS AND CONDITIONS

Acknowledgement & Agreement: By appointing or listing Roll 'N Rock Construction Inc. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated within the quoted prices and in the descriptions provided below.

Unless otherwise noted and agreed to in writing by Roll 'N Rock Construction Inc., prior to time of bid acceptance, no items are to be excluded from this subcontract.

Roll 'N Rock Construction Inc. requires this executed subcontract agreement prior to the start of any work and requires at least 10 calendar days advance notice for mobilization of PCMS, arrow boards, light towers, attenuator trucks, flaggers, pilot cars, etc.

If less than 3 consecutive shifts are performed, an additional \$500.00 may apply, per occurrence. This rate is negotiable on a case by case basis.

Roll 'N Rock Construction Inc. is Union, signatory to the Laborers Traffic Control/Highway Improvement Agreement of Northern California. Roll 'N Rock Construction Inc. is bound to the terms and conditions set forth by the Northern California District Council of Laborers of the Laborers International Union of North America.

Quoted rates do not include .5 (half) hour lunch required if not relieved by the Prime Contractor.

Where applicable, add \$27.50 per day per person for subsistence.

Prime Contractor is responsible for furnishing flag persons with breaks. Prime Contractor agrees to provide up to 10 minutes per Roll 'N Rock Construction Inc. employee for relief break periods, as needed, due to weather and heat conditions to meet CAL/OSHA heat illness prevention requirements. If this condition cannot be met by the Prime Contractor, Roll 'N Rock Construction Inc. will hire an additional man at the Prime Contractor's expense.

Cancellations made in less than 24 hours of the requested show up time will be charged at 40% of quoted rates, based on an 8 hour shift.

Equipment: Our pilot car and flaggers will be equipped with VHF and UHF 2-way radios and with CB radios for communication with your truckers and other CB-equipped equipment.

The Prime Contractor shall be responsible for any damage or loss to/of any equipment (PCMSs, Arrow Boards, Lighting Towers, Attenuator Trucks, Rumble Strips, etc.) due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff, this includes batteries. Prime Contractor is responsible for all lost, stolen, or damaged equipment on job site (includes all powered and non-powered equipment). A daily record of items used will be provided by Roll 'N Rock Construction Inc. for the Prime Contractor to sign off on. Additional signs required due to damage, theft, or plan inadequacies will be billed as extra work.

Fuel expense for an attenuator truck and light tower will be billed to the Prime Contractor at the rate of \$5.00 per gallon.

For safety of the public, contractors and employees of Roll 'N Rock Construction Inc., traffic control duties shall not be performed during hours of darkness without light towers. It is the responsibility and expense of the Prime Contractor to furnish light towers.

Insurance: Roll 'N Rock Construction Inc. maintains insurance coverages as required by USDOT-Caltrans (Commercial General Liability, Commercial Auto, and Worker's Compensation); any additional coverages required by the Prime Contractor can be acquired by Roll 'N Rock Construction Inc. as needed (such as Worker's Comp Waiver of Subrogation, Excess Liability Umbrella, etc.).

Payments: Roll 'N Rock Construction Inc. will bill every week. Invoice is due and payable 30 days from the date of the invoice. Customer/Prime Contractor agrees to pay a finance charge of 1.5% per month on all past due balances. Customer/Prime Contractor further agrees to pay reasonable attorney's fees and cost if collection is required. Prime Contractor is to provide monthly progress payments for all completed work. Monthly payments must be received in full by Roll 'N Rock Construction Inc. to avoid finance charges and/or collection fees. There will be no retention held on Traffic Control.

Good Faith Conduct: If there are any issues or concerns regarding Roll 'N Rock Construction Inc. and its employees, products, or work performed, the Contractor shall promptly notify and give Roll 'N Rock Construction Inc. first opportunity to correct any such problems.

We look forward to working with you and are committed to safety on the job and good faith in all aspects. Should you have any questions regarding these terms, please contact us directly.

I hereby accept all terms and conditions of this proposal and that this proposal will be incorporated into all contract agreements.

- I. If Bonding is required Please add 3% to the total bid price. A minimum price of \$ 400.00 will be required for all bonds.
- L. Contractor is responsible for markings of all sign & post installations. It's Contractor's responsibility to install & remove USA Markings.
- K. Upon Award of Contract, Mallard Const. will Submit its weather policy statement that will become a binding document to the contract.
- L. Contractor is responsible for markings of all sign & post installations. It's Contractor's responsibility to remove USA Markings.

Payment Terms:

Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly payments must be received in full by Mallard Const. no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.

Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payments to Mallard Const. Full retention to be released no later than thirty (30) days after completion of Mallard Const. work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.

General Terms & Conditions

NOTE: All contracts must be written to our legal corporate name "Mallard Construction, Inc."

Mallard Const. requires a written contract, purchase order or signed quote prior to the start of work. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by others.

Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Mallard Const. at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.

Mallard Const. is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, owner, contractor, vendors, suppliers, other subcontractors and other factors not in direct control of Mallard Const. For the delays caused by the aforementioned, Mallard Const. will be reimbursed for all direct and indirect costs plus a mark up of forty percent (40%), or as specified and allowed by the Prime Contract if the delays are caused by the Owner / Agency. Mallard Const. will be granted an extension of time to perform its work tantamount to the delays.

Price includes General Liability Insurance coverage up to Two Million Dollars, Auto Liability up to One Million Dollars, and Umbrella Liability up to Five Million Dollars. Bid Price does not include cost for insurance requirement beyond that requirement. Price does not include any special insurance requirement (i.e. Railroad Insurance, etc.). An additional cost will be required for this type of policy.

Mallard Const. requires fifteen (15) working days notice prior to commencement of any production activity. If any of Mallard Const. work will be a controlling operation on the critical path of this project, Mallard Const. must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Mallard Const. for this work.

All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to Mallard Const. performing this work.

For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Addition Move-In Charge as quoted herein.

Mallard Const. must receive a letter of intent to award us the subcontract no later than (30) calendar days after bid date or this Subcontract Quotation becomes null and void. Also, This quote shall become a part of any and all subcontract agreements and / or purchases orders related to the project. Violation of this action can nullify this proposal.
