6. List efforts made to assist interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE assisted, the information provided, and the date of contact. Provide copies of supporting documents.

The Invitation to Bid submitted to DBE subcontractors and suppliers encourages those firms to contact our office for additional information about the plans, specifications and requirements of the contract. The Invitation to Bid sets forth specific information about the project to allow the firm to respond to the solicitation. The invitation to Bid was sent to those firms identified in Part B. None of the firms however solicited for this project requested any such information.

Please see attachment E, "Invitation to Bid" and supporting documentation

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

The Invitation to Bid submitted to all DBE subcontractors and suppliers encourages those firms to contact our office for assistance and/or to discuss in detail regarding obtaining bonding, lines of credit, insurance, securing necessary equipment, supplies, and materials. None of the firms however, solicited for this project requested any such assistance.

Please see attachment F, "Invitation to Bid."

8. Include additional data to support a demonstration of good faith efforts. In addition to visiting Caltrans' Business Enterprise Program's website to obtain a listing of DBEs for this project, Shasta used Caltrans' "Search for opt-in subcontractors and suppliers" at <http://www.dot.ca.gov/hq/esc/oe/planholders/SearchPhOpt.php> to identify additional DBE contractors/suppliers that may be interested in this project. Shasta also advertised for help on Caltrans' website linked to this project (01-476904) "Listing for all primes seeking assistance with project 02-2E3504 and offered various types of assistance, if needed, regarding plans, specs, requirements on the project, bonding, and related items, etc.

Office of Business & Economic Opportunity

The California Department of Transportation (Caltrans), Office of Business & Economic Opportunity (OBEO) is dedicated to increasing the participation of small business (SB), disadvantaged business enterprise (DBE), and disabled veteran business enterprises (DVBE) firms in both Federal and State contracting and procurement.

The OBEO ensures non-discrimination in the execution of contracts and promotes positive external customer relations.

In addition, the OBEO ensures Caltrans employees' work environment is free of discrimination and reflects the diversity of California's workforce.

Find A Certified DBE Firm

The Disadvantaged Business Enterprise (DBE) Database contains information on certified DBE firms and is updated daily. To ensure that the database has the most current DBE's contact information regard your firm, please email the Office of Business and Economic Opportunity, Certification Office at DBE_Certification@dot.ca.gov.

Use the following database query form to find certified DBE firms for solicitation to meet DBE goal and contracting requirements. The entire Unified Certification Program (UCP) Database can be download by selecting the "Start Search – Export Options" button on the query form. The export feature allows you to download data in Excel, XML, PDF and CSV formats.

Important note regarding Commercially Useful Function (CUF): Per DBE regulation 49 CFR 26.73 et seq, consideration of whether a firm performs CUF is NOT reviewed when making decision to certify firms as DBEs. Certification is based primarily on the disadvantaged owner proving that he/she can own and control a firm engaged in the primary activity it is being certified for. It is therefore imperative that prime contractors complete their own due diligence regarding CUF before committing and hiring firms listed on this directory. For details, review the regulation here: <http://bit.ly/Myih1u>

- [Click here to Access the DBE Query Form](#) (Export options: CSV | Excel | XML | PDF)
Note: Please note that Caltrans will stop issuing DBE Certificates as evidence of certification in due course. A copy of a printout from this database should be proof sufficient of a firm's certification. If you have any questions or need further verification, you can call our office (916) 324-1700.
- [DBE Query Form Instructions / Tutorial](#)
- [Click here to Access the Work Code Template](#)
You may need to upgrade your Browser to view/download this

The Work Codes supplement NAICS Codes that are used by the UCP during DBE certification process. It is classification scheme of equivalent detail and specificity, describing work a DBE firm states it can perform, whether on initial certification or when a new type of work is added to an existing certification.

These codes provide a general overview of the process used to determine code assignment, which in part includes taking into consideration the description of work and the licenses which may be necessary to prove control of the business.

The template is not an all encompassing list of work DBE firms perform and should be used as a guide only. Certified DBE firms can always request their certifying agency (any time) to review their business activities and add or remove codes as and when necessary.

Should you have suggestions or concerns regarding the work code template, please send those to us at DBE_Certification@dot.ca.gov.

The North American Industry Classification System (NAICS) Code:

The NAICS Code is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy. Use the U.S. Census Bureau [NAICS Search](#) page to determine the NAICS Code.
