B.O. 1/6/16

Dear Mr. Mauro:

The Department of Transportation (Caltrans) received a letter dated January 20, 2016, from Timberworks protesting bid documents submitted by Randy Hill Construction, Inc. (Randy Hill). The protest alleges that Randy Hill did not comply with the DVBE participation requirements. Additionally, Randy Hill listed Harbert Roofing to perform the work described as metal roofing for bid item 36, Building Work at 3.74 percent that is not representative of the true and reasonable value of this scope of work. Timberworks requests Caltrans find Randy Hill nonresponsive, and award the project to Timberworks.

As the protest relates to the DVBE participation, this was a no goal contract. Contractors are encouraged to seek DVBE and Small Business participation, but it is not a condition of award for this contract. Caltrans does not agree that the bid is nonresponsive.

As the protest relates to the percentage of work to be performed by Harbert Roofing, Randy Hill has not claimed an inadvertent error. Therefore, Harbert Roofing will be held to the percentage of work listed on the Subcontractor List. There is no evidence of collusion or manipulation of the bidding process.

Based on the above, Caltrans will proceed to award this contract to lowest responsive bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff DeFevere".
