Dear Mr. Catellier:

The Department of Transportation (Caltrans) received letters dated April 20, and 23, 2015 from RNR Construction, Inc. (RNR Construction) for Contract No. 02-3E7304. RNR Construction alleges that J. F. Shea listed T.K. Blackburn Trucking (T.K. Blackburn) on their DBE Commitment form to perform work described as Bid Item 39, 43, 49, and 50 (Bridge Removal; Roadway Excavation; Class 2 Aggregate Base; and Hot Mix Asphalt) and may not be able to meet the stipulated hours of trucking based on trucking requirements of the project. RNR Construction also alleges that Shasta Services, Inc., dba Timberworks (Timberworks) listed a non-licensed entity on their Subcontractors List form to perform work described as Bid Item 10 (Job Site Management), and listed Veridico Group, Inc. (Veridico) on their DBE Commitment form to perform work described as Bid Item 22 (Work Area Monitoring) and their fees are excessive and should not be allowed to contribute towards the DBE total participation goal. RNR Construction requests Caltrans rejects J.F. Shea's DBE participation, and finds Timberworks nonresponsive.

The Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), conducted an evaluation of J.F. Shea's DBE participation and concluded that J.F. Shea has met the 5% DBE goal for this contract.

With respect to Timberworks, Caltrans did not conduct a review of the bid documents submitted by Timberworks because J.F. Shea was found to be responsive.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.
