Dear Gentlemen:

Shasta Constructors, Inc. ("Shasta") hereby gives notice of its protest of the bid submitted by Hayes And Sons Inc ("Hayes") in the State of California, Department of Transportation ("Caltrans") project referenced above. Caltrans has now posted original subcontractor listings and bid results, 24 hour subcontractor listings, and fourth day DBE Commitment and Good Faith Effort forms. The basis of this protest is as follows:

1. HAYES LISTED TWO SUBCONTRACTORS FOR PILING CONSTRUCTION

Public Contract Code Section 4106 states in pertinent part:

"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of the work himself or herself, and that the prime contractor shall perform that portion himself or herself."

As shown in the Caltrans Bid Summary, Hayes listed in his bid both Ava K Early and Northern Industrial Electric for "Piling" and cannot therefore subcontract that particular work to either listed subcontractor.

2. HAYES USED ONE OF TWO LISTED PILING SUBCONTRACTORS AS A DBE

Hayes utilized Ava K Early to help fulfill contract DBE requirements; however, since this contractor cannot be employed for "Piling," then that portion of work cannot be counted toward DBE participation.

Page 2 of 2

3. HAYES DID NOT SUBMIT A GOOD FAITH EFFORT

Section 2-1.12B(3) for this contract requires that the Good Faith Efforts documentation must be submitted within the required time frame to protect the eligibility for award in the event the Department finds that the DBE goal has not been met. Hayes submitted no good faith effort documentation.

4. HAYES DID NOT SUBMIT CONFIRMATION FROM EACH PROPOSED DBE

Special Provisions Section 2-1.12B(2) for this contract requires that the DBE Commitment Submittal must include written confirmation from each DBE shown stating that it will be participating in the contract. A copy of a DBE's quote satisfies this requirement. Hayes did not submit either.

5. MISSING DOCUMENTATION IS TOO LATE

Section 2-1.33 for this contract provides a table requiring submittal of all the above referenced DBE information prior to 4 PM on the 4th business day after bid opening. The bidding documents for the issues discussed in this letter are not conditional; they are absolute. Hayes field to meet bidding requirements and Hayes' must be held nonresponsive.

Respectfully Submitted;

SHASTA CONSTRUCTORS, INC.

Robert B. Moseman, V.P.

Credit for materials or supplies you purchase from DBEs counts toward the goal in the following manner:

1. 100 percent if the materials or supplies are obtained from a DBE manufacturer.
2. 60 percent if the materials or supplies are obtained from a DBE regular dealer.
3. Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies, if they are obtained from a DBE that is neither a manufacturer nor regular dealer. 49 CFR 26.55 defines "manufacturer" and "regular dealer."

You receive credit toward the goal if you employ a DBE trucking company that performs a commercially useful function as defined in 49 CFR 26.55(d)(1)-(4), (6).

2-1.12B(2) DBE Commitment Submittal

Submit DBE information under section 2-1.33.

Bidders other than the apparent low bidder, the 2nd low bidder, and the 3rd low bidder are not required to submit the DBE commitment form unless the Department requests it. If the Department requests a DBE commitment form from you, submit the completed form within 4 business days of the request.

Submit written confirmation from each DBE shown on the form stating that it will be participating in the Contract. Include confirmation with the DBE commitment form. A copy of a DBE's quote will serve as written confirmation that the DBE will be participating in the Contract.

2-1.12B(3) Good Faith Efforts Submittal

If you have not met the DBE goal, complete and submit the Good Faith Efforts Documentation under section 2-1.33 showing that you made adequate good faith efforts to meet the goal. Only good faith efforts directed toward obtaining participation by DBEs are considered.

If your DBE commitment form shows that you have met the DBE goal or if you are required to submit the DBE commitment form, you must submit good faith efforts documentation within the specified time to protect your eligibility for award of the contract in the event the Department finds that the DBE goal has not been met.

The Department may consider DBE commitments of the 2nd and 3rd bidders in determining whether the low bidder made good faith efforts to meet the DBE goal.

2-1.13-2-1.14 NOT USED

2-1.15 DISABLED VETERAN BUSINESS ENTERPRISES

Take necessary and reasonable steps to ensure that DVBEs have opportunity to participate in the Contract.

Complete and submit the Certified DVBE Summary form under section 2-1.33. List all DVBE participation on this form.

If a DVBE joint venture is used, submit the joint venture agreement with the Certified DVBE Summary form.

List each 1st-tier DVBE subcontractor on the Subcontractor List form regardless of percentage of the total bid.

Under Pub Cont Code § 6107, the Department gives preference to a "California company," as defined, for bid comparison purposes over a nonresident contractor from any state that gives or requires a preference to be given to contractors from that state on its public entity construction contracts.

Complete a California Company Preference form.

The California company reciprocal preference amount is equal to the preference amount applied by the state of the nonresident contractor with the lowest responsive bid unless the California company is eligible for a small business preference or a non-small business subcontractor preference, in which case the preference amount is the greater of the two, but not both.

If the low bidder is not a California company and a California company's bid with reciprocal preference is equal to or less than the lowest bid, the Department awards the contract to the California company on the basis of its total bid.
