Stewart Engineering Inc proposes to offer the following quotation to complete all items of work as specified herein.

Item #	Item Description	Estimated Quantity	Unit	Unit Price	Total Price
62	Concrete Barrier (Type 60PR)	36.00	LF	\$875.00	\$31,500.00

**Total Bid Price: \$31,500.00**

**Notes:**

• **INCLUSIONS:**

- SEI proposes to furnish all labor materials and equipment to complete the concrete barrier.
- SEI has not included traffic control for their items of work.
- SEI will require (3) traffic control days per location to complete concrete barrier operations.

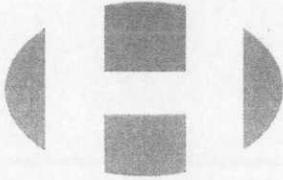

• **EXCLUSIONS:**

- Traffic control as outlined above.
- Sawcutting, demolition, drill and bond dowel (if required).
- All subgrade excavation / preparation.

- GC1) SEI shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract. SEI shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond SEI's control, including but not limited to: delays caused by the owner, Prime Contractor, Architect and/or Engineer. SEI shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts are not SEI's responsibility.
- GC 2) SEI includes Worker's Compensation Insurance and Employer's Liability in amounts required by law, Bodily Injury and Property Damage Liability combined single limit \$1,000,000. Excluded are all forms of insurance or bonds other than those listed above. Our duty to indemnify, save harmless, or defend against, or liability for any claims, suits, liability losses, damages and liability damages, including death, bodily injury, property damage, or any economic, consequential, incidental or special damages brought by any person which may arise from the performance of the work or any misconduct, wrongful or negligent act or omission of SEI, its agents, subcontractors, servant or employees in connection with, or in the performance of any services or work resulting from this proposal, shall be satisfied by SEI's acquisition of the above insurance coverage's, and shall be limited to the benefits provided by this insurance coverage.
- GC 3) Any hazardous substances encountered in the prosecution of SEI's work will constitute a change of conditions. If a hazardous substance is discovered, SEI will stop the work affected, notify the Owner/Prime Contractor, and have no obligation to perform investigation or remedial work. The Owner/Prime Contractor shall promptly investigate the condition and make all required determinations and actions. If SEI agrees to proceed, the Owner/Prime Contractor shall provide insurance and written direction to SEI relating to completion of work under the contract. SEI shall be entitled to a time extension for the delay and compensation for all costs incurred, including but not limited to, the additional costs of performing contract work, extra work, delays, suspension of work, safety measures, etc. Should conditions be encountered in the performance of SEI's work which differ from those (A) indicated by the Contract documents or the soils data furnished to SEI which is not a part of the Contract documents, or (B) ordinarily encountered and generally recognized as inherent in work of the character provided in the Contract, an equitable adjustment and time extension will be made to cover the resulting cost.
- GC 4) No charges of any kind to SEI will be accepted unless agreed to and signed for by an authorized representative of SEI on a daily basis.
- GC 5) No liquidated damages may be assessed without SEI specifically agreeing in writing. SEI shall not be liable for any consequential or incidental damages. SEI shall be excused for delays occasioned by acts of God, action or non-action of owner, owner's agents or employees, the Owner/Prime contractor, other contractors on the project, inclement weather, labor disputes, acts of public utilities, public bodies, extra work, failure of Owner or Prime Contractor to make progress payments, or other events beyond SEI's reasonable control.

- GC 6) The parties agree that all claims and disputes by and between them shall be submitted to mediation by a mediator mutually agreeable to the parties. The cost of such mediation shall be borne equally by the parties. The foregoing agreement to mediate shall be specifically enforceable. If mediation is not successful, any controversy or claim arising out of or relating to this contract, or to the breach thereof, shall be settled by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator(s) may be entered in any Court having jurisdiction thereof.
- GC 7) To the fullest extent permitted by law, Owner and/or Prime Contractor shall indemnify and hold harmless SEI and its agents and employees from and against any and all claims, demands, damages, losses, and expenses, including, but not limited to, attorney's fees, arising out of, or resulting from the performance of the work under this proposal which are in any manner directly or indirectly caused or occasioned by, or contributed to, or claimed to be caused or occasioned by, or contributed to, by any act, omission, fault or negligence, whether active or passive, of Owner and/or Prime Contractor or anyone acting under their direction or control, or their behalf, in connection with or incident to the work, even though the same may have resulted from the joint, concurring or contributory act, omission or negligence, whether active or passive, of SEI or any other person, unless the same be caused by the sole negligence or willful misconduct of SEI.
- GC 8) This proposal shall be attached to and become part of any contract covering this work, and shall take precedence over any conflicting conditions or statements.
