Dear Mr. Evans:

The Department of Transportation received bid documents from Vincent Kentish Evans (VKE) on contract 02-4G1804 on April 9, 2014. VKE listed both Chrisp Company and Independent Structures to perform 100% of bid item 3, Traffic Control System, and both Darren Taylor and Wells Sweeping to perform 100% of bid item 9, Cold Plane Asphalt Concrete Pavement on its Subcontractor List form.

Public Contract Code Section 4106 States in pertinent part:

“If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself.”

If VKE is awarded contract 02-4G1804, it must perform bid item 3 and 9 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.
