## TERMS AND CONDITIONS

**Acknowledgement & Agreement:** By appointing or listing Roll 'N Rock Construction Inc. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated within the quoted prices and in the descriptions provided below.

Unless otherwise noted and agreed to in writing by Roll 'N Rock Construction Inc., prior to time of bid acceptance, no items are to be excluded from this subcontract.

Roll 'N Rock Construction Inc. requires this executed subcontract agreement prior to the start of any work and requires at least 10 calendar days advance notice for mobilization of PCMS, arrow boards, light towers, attenuator trucks, flaggers, pilot cars, etc.

If less than 3 consecutive shifts are performed, an additional \$500.00 may apply, per occurrence. This rate is negotiable on a case by case basis.

Roll 'N Rock Construction Inc. is Union, signatory to the Laborers Traffic Control/Highway Improvement Agreement of Northern California. Roll 'N Rock Construction Inc. is bound to the terms and conditions set forth by the Northern California District Council of Laborers of the Laborers International Union of North America.

Quoted rates do not include .5 (half) hour lunch required if not relieved by the Prime Contractor.

Where applicable, add \$27.50 per day per person for subsistence.

Prime Contractor is responsible for furnishing flag persons with breaks. Prime Contractor agrees to provide up to 10 minutes per Roll 'N Rock Construction Inc. employee for relief break periods, as needed, due to weather and heat conditions to meet CAL/OSHA heat illness prevention requirements. If this condition cannot be met by the Prime Contractor, Roll 'N Rock Construction Inc. will hire an additional man at the Prime Contractor's expense.

**Cancellations** made in less than 24 hours of the requested show up time will be charged at 40% of quoted rates, based on an 8 hour shift.

**Equipment:** Our pilot car and flaggers will be equipped with VHF and UHF 2-way radios and with CB radios for communication with your truckers and other CB-equipped equipment.

The Prime Contractor shall be responsible for any damage or loss to/of any equipment (PCMSs, Arrow Boards, Lighting Towers, Attenuator Trucks, Rumble Strips, etc.) due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff, this includes batteries. Prime Contractor is responsible for all lost, stolen, or damaged equipment on job site (includes all powered and non-powered equipment). A daily record of items used will be provided by Roll 'N Rock Construction Inc. for the Prime Contractor to sign off on. Additional signs required due to damage, theft, or plan inadequacies will be billed as extra work.

Fuel expense for an attenuator truck and light tower will be billed to the Prime Contractor at the rate of \$5.00 per gallon.

For safety of the public, contractors and employees of Roll 'N Rock Construction Inc., traffic control duties shall not be performed during hours of darkness without light towers. It is the responsibility and expense of the Prime Contractor to furnish light towers.

**Insurance:** Roll 'N Rock Construction Inc. maintains insurance coverages as required by USDOT-Caltrans (Commercial General Liability, Commercial Auto, and Worker's Compensation); any additional coverages required by the Prime Contractor can be acquired by Roll 'N Rock Construction Inc. as needed (such as Worker's Comp Waiver of Subrogation, Excess Liability Umbrella, etc.).

**Payments:** Roll 'N Rock Construction Inc. will bill every week. Invoice is due and payable 30 days from the date of the invoice. Customer/Prime Contractor agrees to pay a finance charge of 1.5% per month on all past due balances. Customer/Prime Contractor further agrees to pay reasonable attorney's fees and cost if collection is required. Prime Contractor is to provide monthly progress payments for all completed work. Monthly payments must be received in full by Roll 'N Rock Construction Inc. to avoid finance charges and/or collection fees. There will be no retention held on Traffic Control.

**Good Faith Conduct:** If there are any issues or concerns regarding Roll 'N Rock Construction Inc. and its employees, products, or work performed, the Contractor shall promptly notify and give Roll 'N Rock Construction Inc. first opportunity to correct any such problems.
