RE: Contract #02-4G2204

Mr. McMillan;

Please consider this a letter of formal protest of the bid submitted by Hat Creek Construction & Materials, Inc. for Contract No. 02-4G2204. We request that Hat Creek Construction & Materials, Inc. be found non-responsive for the following reasons:

- Hat Creek Construction claimed a Non-Small Business Subcontractor Preference.
- Hat Creek Construction did not submit a Certified Small Business Listing for the Non-Small Business Preference form showing the subcontracting of at least 25% of the contract to Certified Small Businesses no later than 4:00 PM on the 2nd day after the bid opening.
- Hat Creek Construction has not listed 25% of the bid as subcontractors in their bid submission.

In summary, the specifications Section 2-1.18C clearly states that in order to claim a Non-Small Business Subcontractor Preference, you must subcontract at least 25% to Certified Small Businesses and submit a Certified Small Business listing within the 2nd day after the bid by 4:00 PM. This was not done. Therefore, Eagle Peak Rock & Paving, Inc. contends that Hat Creek Construction & Materials, Inc. should be declared non-responsive and the State should proceed to award the bid to the lowest responsive and responsible bidder, Eagle Peak Rock & Paving, Inc.

Cordially Yours,

Matt Cruse
General Manager
