ABSL Construction to cold plane asphalt concrete and load cuttings into trucks provided by the contractor. ABSL may not meet all the specs in spec book.

Portland cement concrete grinding is excluded from this quotation.

ABSL Construction will cold plane as close as possible to existing manholes, water valves, and other obstructions in cutting plane. Handwork and placing temporary asphalt tapers around these objects or at pavement edge for safety requirements are excluded.

Contractor to provide water or water meter and provide traffic control during cold planing operation.

All areas to be ground shall be clearly marked by the general or the job inspector.

Anything not specifically included in this price should be considered excluded.

ABSL Construction does not accept backcharges due to machine breakdown during operation above the machine's daily rental fee.

Back charges will only be based on the time the machine is broken and will reflect the cost of the equipment for that time. All others costs due to the equipment breakdown will not be charged to ABSL Construction.

ABSL does not accept force account rates or retention.

This quotation will be part of our contract or purchase order agreement and is valid for one month after the bid date.

If you have any questions regarding the above quote please call me at (916) 379-0442 or fax at (916) 379-0443.
