The rates are determined by the cost of petroleum, disposables related to petroleum, (curb and rear brooms, tires, belts, oil and other wear items) and increases in labor wages stated by the MLA and Operating Engineers.

Hi Rick,

We are a certified DBE and I am interested in giving you a quote for the TAHOE CITY RTE 28 micro surfacing and fog seal portion. I have the quantities but I am not sure of the specifications of the materials (type 2 or 3 OF micro, and type of fog seal). If you could help me with this I'd greatly appreciate it. Thank you.
