Re: Contract No.03-0G2604 HWY 162 in Butte County
Bids Opened March 17th, 2015

Subject: Bid Protest of Knife River Construction
Non Small Business Preference Percentage

Dear Mr. McMillan,

Pave-Tech is protesting Knife River Construction's (KRC) utilization of Dragon Materials Transport's (DMT) dollar value for DMT's participation as a small business. DMT is considered a Non-Manufacturer Dealer therefore DMT's value for small business utilization should be equal to 60% of the total dollar value of the services they provide. KRC is claiming the value of \$299,925 worth of Asphalt Oil to be purchased from DMT which is 100% of the services provided by DMT. KRC can only get credit for 60% of that \$299,925 which is \$179,955. This decrease's KRC's claimed small business participation amount by \$119,970. KRC claimed a total of \$609,965, but their actual small business participation total should be \$489,995. Their total bid is \$2,377,881 and their percentage of small business participation should be 20.61%. KRC's bid should not be considered for the non-small business preference of 5% in comparison to the lowest responsible bidder Pave-Tech Inc.

Attached is a copy of what KRC submitted to the State.

If you have any questions please feel free to call me.

Very Respectfully,

Rudy C. Zavalani
President
