Notes:

- We hereby submit the following proposal to Furnish and Place A.C. Paving on the above referenced Project. Please note we exclude Traffic Control and will require 5-day to complete our work. This proposal is based on three move-ins, using Cal-Trans AC and the following stipulations. THIS QUOTE IS GOOD FOR 30-DAYS FROM ABOVE DATE OF PROPOSAL!

Special Conditions:

- Final invoicing and payment shall be based on actual quantities placed.
- See "Oil Escalation Clause" @ next page for possible price increases due to fluctuating Oil Prices.
- All work to be performed during normal working hours - 6:00 A.M. to 6:00 P.M., Mon. through Fri.
- Two-week notice required prior to mobilization (four-weeks in September & October).
- General Contractor / Owner to supply on-site water source at no cost to VPC.
- Price to be re-negotiated for A.C. Paving performed after October 31, 2014 or for "Winter-Paving" conditions if weather prohibits a full 8-hours of Paving (typically between Nov. 1st and April 1st).
- All work included in this proposal is to be performed with conventional paving and hauling equipment and clear access to the work. All job-delay costs resulting from revisions, plan errors, specialized work or phasing required when abnormal site conditions, access limitations or other unknown conditions exist, shall be paid on a time and materials basis.

The Following Items Are Excluded:

- Testing, Bonds (add 1%), Fees, Permits, Engineering, Staking/Surveying or Waiver of Subrogation.
- Prime Oil, Soil Sterilizer Weed Killer, Crack clean/seal, Paving Fabric, Seal Coat, Striping, Sawcutting Grinding, staking and header board.
- Tack Oil between lifts to accommodate "staged construction" by Owner or General Contractor.
- Raising Iron / Adjusting of Utilities (to be left below grade and adjusted by others after paving).
- Paving failures caused by faulty Subgrade, Baserock or pipe trench settlement done by others.
- Placing and/or finishing of Baserock or Subgrade (to be by others to +/- 0.05 Ft.).

- Traffic Controls, Barricades, Lane Closures or Temporary Lane Markers.
- Any Night Work
- Profile Grinding adjacent to bridge deck to be performed by general contractor if required

Weather / Temperature Clause (A.C. Paving):

This price is based on placing the asphalt concrete during normal working shifts of 8 hours or more and with continuous operation. Should the Inspecting Agency, Owners Agent or General Contractor cause delays in paving because of insufficient ground temperatures, excessive moisture or atmospheric conditions, the Owner / General Contractor shall reimburse Vintage Paving Co. for all stand-by, re-mobilization and/or other associated delay charges.

Minimum Tonnage Clause (A.C. Paving):

This price is based on Vintage Paving Co. having sufficient grade in one location available to permit the placing of a minimum of ALL-Tonnage in a continuous operation. For any day's production less than the minimum, payment shall be renegotiated. This is exclusive of plant and equipment breakdowns or trucking delays, which are the responsibility of Vintage Paving Co., Inc.

Oil Escalation Clause (A.C. Paving):

The above noted price is guaranteed for 30-DAYS from the above date of proposal. After that date, Asphalt material and Trucking of Asphalt material is subject to price escalation as based on increased costs for paving asphalt "Rack-Oil" F.O.B. the plant (currently \$600/Tn). Any cost adjustments will be based on the "Rack-Oil" price at the Asphalt Plant and associated trucking rates adjustments.

Move-In Clause:

This price is based on this work being performed in three move-in. Additional move-ins will be \$4,500 (Regardless of Phasing/additional crew-days may be required).

This is a proposal only for the purpose of establishing a price for the work as outlined. In the event we are low bidders, a formal contract suitable to both parties shall be prepared and neither party shall be bound until the contract is fully executed. This proposal shall be attached and made a part of any contract or subcontract resulting therefrom and shall govern over any conflicting provisions in the contract or subcontract.
