Dear Ms. Castro:

The Department of Transportation (Caltrans) received a bid submitted by Desert Concepts Construction, Inc. (DCC) for Contract No. 03-3F4104 on October 8, 2013. By this letter, Caltrans notifies DCC that its bid is nonresponsive because DCC failed to submit written confirmation with their Disadvantage Business Enterprise (DBE) commitment form.

Section 2-1.12B(2) of the revised 2010 Standard Specifications states in part, ... *"Submit written confirmation from each DBE shown on the form stating that it will be participating in the Contract. Include confirmation with the DBE Commitment form. A copy of the DBE's quote will serve as written confirmation that the DBE will be participating in the Contract. If you do not submit the DBE commitment form by the specified time, your bid is nonresponsive."* DCC failed to submit the written confirmation for Dirt & Aggregate Interchange.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, provided all requirements are met.

Your attention is directed to Section 3-1.04 of the Amendments to the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.
