Dear Ms. Castro:

The Department of Transportation (Caltrans) received a bid submitted by Desert Concepts Construction, Inc. (Desert Concepts) for Contract No. 03-3F4204 on March 27, 2013. By this letter, Caltrans notifies Desert Concepts that its bid is nonresponsive because it failed to properly indicate a percentage number in column 3 of the Subcontractor List form.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid."

On the Subcontractor List form, Desert Concepts identified Sambrano Traffic Control, Inc. (Sambrano) as only performing "partial" of work described as Traffic Control, Bid Item 3, and USC Supply as only performing "partial" of work described as 15" HDPE BELL & Spigot Stormtite. Desert Concepts failed to submit the percentage of the bid items subcontracted as required in column 3.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder.

Your attention is directed to Section 3-1.04 of the Amendments to the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.
