Prime Contractor is responsible for furnishing flag persons with breaks. Prime Contractor agrees to provide up to 10 minutes per Roll 'N Rock Construction Inc. employee for relief break periods, as needed, due to weather and heat conditions to meet CAL/OSHA heat illness prevention requirements. If this condition cannot be met by the Prime Contractor, Roll 'N Rock Construction Inc. will hire an additional man at the Prime Contractor's expense.

**Cancellations** made in less than 8 hours of the requested show up time will be charged at 40% of quoted rates, based on an 8 hour shift.

Due to the uncertainty of total days required to complete dewatering activities, our cost estimate is split into "daily monitoring during dewatering" and "all other tasks." The cost for "all other tasks" is provided as a lump sum. "All other tasks" are those required in the Caltrans Specifications Sections 14-1.02A through 14-6.05D, excluding daily monitoring during dewatering. "Daily monitoring during dewatering" is provided as a daily rate with a variable number of days depending on the prime contractor's need. In the table below, Gallaway Enterprises has estimated ten (10) days to complete dewatering activities; however if more or less days dewatering days are required, billing will reflect the actual number of days. Please use the daily rate of \$880 to adjust the total lump sum price depending on the estimated duration for dewatering.

Description	Description	Unit	Quantity	Rate	Total
Item 17: Contractor Supplied Biologist	All abovementioned tasks in the "scope of work" section, excluding daily monitoring during dewatering.	LS	1	-	\$6,060
	On-site Daily Monitoring During Dewatering	Daily	<del>10</del>	\$880	<del>\$8,800</del>
Estimated Total			16		\$14,860

\* Billed per day, if more or less days are required, billing will reflect the actual number of days.

RE: Replace Culverts on State Highway in Sierra County near Sierraville  
Caltrans  
Contract: 03-4E5404

Bid Date: March 19, 2015 2:00 P.M.

Subject: Solicitation of Quotes

We are planning to bid on the above referenced project and are soliciting quotation from qualified Disabled Veteran Business Enterprise material suppliers and subcontractors (DVBE's). **Beginning March 1, 2015 you must be registered with the Department of Industrial Relations, and provide registration number on your quote.** We thought you would be particularly interested in the following categories of work, but would welcome your quote for any portion of the work, services, equipment, or materials, which you can provide:

**EROSION CONTROL**

Subcontractors shall, if required by Contractor, furnish 100% payment and performance bonds. SWAI will reimburse all or a portion of said bond premiums unless alternative arrangements are agreed upon prior to bid.

We offer assistance to interested DVBE's to obtain bonding and/or plans, interpret specifications, arrange credit (i.e. with joint checks to second tier subs or suppliers) and/or overcome other obstacles, which may hinder them in the pursuit and expansion of their business. We are an Equal Opportunity Employer.

Plans and specifications for this project can be obtained from Caltrans, Bidder's Exchange, 1727 30<sup>th</sup> Street, MS 26, Sacramento, CA 95816 or call (916) 654-4490. Plans and specifications may also be available at your local plan-room or Builder's Exchange or may be reviewed and excerpts obtained through our Redding office. If you plan to submit a sub-bid, we ask that you contact us in advance to review the scope of your interest. We must receive your bid **not later than** one (1) hour before bids are due to ensure consideration. Failure to comply may result in rejection of even a low bid.

If you should have any questions or comments on the work or scope of your interest, please call (530) 223-6605 or FAX (530) 223-3879 our Redding office. We look forward to doing business with you.

Hey Tiffany,

Thank you for the opportunity to quote you on this project. We are not a Traffic Control Contractor but we do supply materials, message boards, arrow boards, cones etc. If there is anything along those lines we would love to supply you with a quote. We are a certified DVBE and SBE. Let me know if there is anything we can help you with.

Bid Date: March 19, 2015 2:00 P.M.

Subject: Solicitation of Quotes

We are planning to bid on the above referenced project and are soliciting quotation from qualified Disabled Veteran Business Enterprise material suppliers and subcontractors (DVBE's). **Beginning March 1, 2015 you must be registered with the Department of Industrial Relations, and provide registration number on your quote.** We thought you would be particularly interested in the following categories of work, but would welcome your quote for any portion of the work, services, equipment, or materials, which you can provide:

**TRAFFIC CONTROL**

Subcontractors shall, if required by Contractor, furnish 100% payment and performance bonds. SWAI will reimburse all or a portion of said bond premiums unless alternative arrangements are agreed upon prior to bid.

We offer assistance to interested DVBE's to obtain bonding and/or plans, interpret specifications, arrange credit (i.e. with joint checks to second tier subs or suppliers) and/or overcome other obstacles, which may hinder them in the pursuit and expansion of their business. We are an Equal Opportunity Employer.

Plans and specifications for this project can be obtained from Caltrans, Bidder's Exchange, 1727 30<sup>th</sup> Street, MS 26, Sacramento, CA 95816 or call (916) 654-4490. Plans and specifications may also be available at your local plan-room or Builder's Exchange or may be reviewed and excerpts obtained through our Redding office. If you plan to submit a sub-bid, we ask that you contact us in advance to review the scope of your interest. We must receive your bid **not later than** one (1) hour before bids are due to ensure consideration. Failure to comply may result in rejection of even a low bid.

If you should have any questions or comments on the work or scope of your interest, please call (530) 223-6605 or FAX (530) 223-3879 our Redding office. We look forward to doing business with you.
