Response to Caltrans Non-responsive letter

Dear Mr. McMillan:

George Reed, Inc. (George Reed) received a letter dated May 13, 2013 stating that George Reed's bid for the above referenced project is nonresponsive because it failed to submit the Subcontractor List within the 24 hour period with columns 2 and 3 completed.

Attached you will find a copy of the subcontractor list that was faxed the following morning as well as a copy of the transmission log. As you can see the fax (4 pages) was sent on time and to the correct fax number. The transmission log shows the fax being sent at 08:19 on May 1, 2013.

I would ask that you please recheck your fax log to compare it to George Reed's attached Subcontractor List and transmission log. I believe you will find that George Reed has complied with all requirements.

Once you have confirmed that George Reed has complied then please rescind your nonresponsive letter.

Thank you for your attention to this matter and please feel free to contact me if you have any questions.

Sincerely,

Stacy Case
