Reference: Caltrans bid proposal for Contract # 03-4M4404

Dear Mr. John,
We are submitting request to consider our company as Small Business Preference for this project. On online posting on Caltrans website for this contract, it does not showing our company request for small business.
We had selected small business preference option at this time of on line bidding but looks like it did not get submitted due to technical error.

We have submitted our small business certification with other submittal for DBE too.

Our Small business certification # 42111

Thanks for consideration
Thank you.
Sincerely,

Alex Singh
Project Coordinator.
