All American Rentals, Inc.  
 8136 Enterprise Drive  
 Newark, CA 94560

Attention: Mike Carter

Congratulations on the successful completion of your recertification application for Alameda County's Small, Local, Emerging Business (SLEB) Program!

You have been recertified as a SMALL business for the period of October 01, 2013 through September 30, 2015 for the following NAICS code(s): 423810, 444210, 532310, 532490, 532411 and 532412.

When permitted by law, the County's procurement policy is to solicit bids and proposals from certified SLEBs, and if none are available, then from local Alameda County firms. Other benefits of being a certified SLEB include:

1. All American Rentals, Inc. will be added as a certified vendor to Alameda County's Local Vendor Database.
2. SLEBs competing for County contracts over \$25,000 may be eligible to receive a 5% SLEB bid preference on qualified goods and services contracts and an additional 5% local preference (for a total 10% bid preference) when submitting sealed bids.
3. Non-SLEB certified firms are required to partner a minimum 20% with certified SLEBs for most goods and services contracts with the County.
4. As a certified SLEB you may receive e-mail information from the County about contracting opportunities and outreach/training events. You can register and select the type of messages you receive by visiting the County's main website at [www.acgov.org](http://www.acgov.org) and clicking on the envelope icon for eSubscribe.

Alameda County reserves the right to reevaluate your company at any time during the certification period to determine if your firm continues to meet the County of Alameda and U.S. Small Business Administration size standards and definitions.

You are required to report any changes in your business structure or ownership. You are also required to submit a current business license each year. If you are named as a SLEB prime or sub-contractor in an Alameda County contract, you must maintain your SLEB certification status as active during the term of the contract. County contract terms may also require that you utilize the County's online web-based contract compliance application, Elation Systems at [www.elation.com](http://www.elation.com). Failure to comply with the requirements stated in this letter could jeopardize your SLEB certification status and impact County contracting opportunities.

All American Rentals, Inc. will be notified 90 days prior to the expiration of this certification.

If you have any questions, please contact the Contract Compliance Certification office at 510-891-5500 or by e-mail at [ACSLIEBcompliance@acgov.org](mailto:ACSLIEBcompliance@acgov.org). Please refer to your certification number as it appears on this letter.

1. All American Rentals, Inc. will be added as a certified vendor to Alameda County's Local Vendor Database.
2. SLEBs competing for County contracts over \$25,000 may be eligible to receive a 5% SLEB bid preference on qualified goods and services contracts and an additional 5% local preference (for a total 10% bid preference) when submitting sealed bids.
3. Non-SLEB certified firms are required to partner a minimum 20% with certified SLEBs for most goods and services contracts with the County.
4. As a certified SLEB you may receive e-mail information from the County about contracting opportunities and outreach/training events. ## ASSUMPTIONS

1. Job Site Management assumes a project duration of 160 days (field work), or 32 weeks of on-site field work. If the actual construction duration is less (or more), the Prime may multiply the number of field weeks by \$495.00.

$$32 \text{ weeks} \times \$495.00/\text{week} = \$15,840.00$$

This is a weekly rate for Veridico to conduct a half-day per week site visit to document required WPCP compliance; Caltrans forms 2030 and 2034 completed by or under the direction of a QSD/P, and physical site inspection. Pre-, during and post-rain event site inspections are not included but will be billed at the Job Site Management rate if required. No other plans, reports, monitoring or permits are included.

2. A Type 1 noise level monitor will be provided for the duration of the project. One (1) event of training for use of the monitor will also be provided for the quoted bid. Usage of the noise level meter beyond the stated project duration of 160 days will be billed at \$400.00 per month.
3. Field monitoring may be required for the Lead Compliance Plan. A CIH can be provided to oversee the monitoring for **\$1,650 per day** including all labor, travel, per diem, materials, supplies, and lab costs. For bidding purposes, assume **ONE (1) day** for the lead monitoring; or a **total of \$1,650.00** for the on-site monitoring.
4. The WPCP and the LCP are **guaranteed** acceptance for the quoted bid.
5. Contractor to provide completed questionnaire (supplied by Veridico upon notice of award) prior to start of work.
6. Print-ready electronic draft and final copies of plans and/or reports will be provided so hard copies can be produced; no hard copies will be provided by Veridico.

Veridico is a certified DBE contractor (No. 39572) with a number of associates that have supported Caltrans projects for many years. We have the necessary certified personnel to support your efforts on this project and we look forward to providing you our highest level of project support.
