| ***Airborne Emissions Monitoring*** | **$1,700 per day x 20** |

$35,500.00

Dear Mr. Keough.:

Adanta is pleased to present this bid to provide environmental services for the above referenced project. The Public Safety Plan (PSP) will be prepared in accordance with Contract 04-1A6714.

The PSP will address these concerns to protect workers and the public. The public notification letter will describe the work to be performed and state overlay work locations, dates, and times. The letter will be delivered to residences and businesses within 100 feet of overlay work and to local fire and police officials at least 7 days before starting work. Additionally, an action plan for protection of the public when airborne emissions levels exceed permissible levels will be included in the PSP. The PSP will be prepared, signed and stamped by an Industrial Hygienist certified in Comprehensive Practice by the American Board of Industrial Hygiene.

If you have any questions, please feel free to contact us at (707) 709-8894.

Sincerely,

Kimberly Patz, President (kimberlypatz@adanta-inc.com)

Portland cement concrete grinding is excluded from this quotation unless specifically quoted.

Removal of Asphalt Concrete over gutter damages can't be guaranteed by ABSL.

ABSL Construction will cold plane as close as possible to existing manholes, water valves, and other obstructions in cutting plane. Handwork and placing temporary asphalt tapers around these objects or at pavement edge for safety requirements are excluded.

Contractor to post streets with "No Parking" signs prior to subcontractor's phase of work, provide water or water meter and provide traffic control during cold planing operation.

All areas to be ground shall be clearly marked by the general or the job inspector.

A minimum of two weeks notice is requested prior to move in.

Anything not specifically included in this price should be considered excluded.

ABSL Construction does not accept backcharges due to machine breakdown during operation above the machine's daily rental fee.

Back charges will only be based on the time the machine is broken and will reflect the cost of the equipment for that time. All others costs due to the equipment breakdown will not be charged to ABSL Construction.

All teeth over one complete set will be charge to the contractor.

ABSL does not accept force account rates or retention.

This quotation will be part of our contract or purchase order agreement and is valid till a new change of the rates.

If you have any questions regarding the above quote please call me at (510) 727-0900 or fax at (510) 727-0912.

Sincerely,

***Daryl Vorne***

***GRINDING JOB AGREEMENT***

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
2) Modification to the work may require a change in the quote.
3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
5) All teeth over one complete set will be charge to the contractor.
6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to adjustment.
7) In the event there is an increase in the cost of fuel of more than $0.50 per gallon during the performance of this contract, ABSL will be entitled to a $75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.
8) If ABSL cannot proceed with its work as scheduled due to others, standby time will be charged at the following rate: $425.00 per hour.
9) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
10) This proposal to be attached and made part of any and all resulting contracts.
11) The above price does not include permits, fees, bonding, state or local taxes.
12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
14) Backcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the time of occurrence for backcharges.
15) Unless otherwise agreed to in writing prior to start of work, payment is due and payable within 30 days of billing, and no retention to be withheld on payments.
16) All utilities within mill grade are to be located and marked by customer. It is the sole responsibility of the lessee or renter (customer) to follow the requirements of the regional notification center law pursuant to Article 2 (Commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the California Government Code. Customer assumes sole responsibility for, and all subsequent liabilities coincident with following the requirements of the regional notification center law. Furthermore, customer agrees to be responsible for all damage to both utilities themselves and to our company's equipment by reason of ABSL equipment encountering unmarked utilities.
17) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

***Daryl Vorne***

Special Conditions:

1. RES will not perform extra work at force account until a CCO for said extra work is fully executed or another method for paying for extra work is established so that extra work will be paid on the next progress estimate following the start of the extra work.
2. All work not paid at a quoted item rate will be charged to the prime at a rate no less than the Caltrans extra work rate for subcontractors with standard markups, without regard to the payment or reimbursement to prime from owner.
3. No amounts shall be withheld from our extra work payments. Only the prime's markup on RES, should the owner pay the markup, may be withheld.
4. Release of retention within thirty (30) days of the completion of our work without regard to other ongoing work on the project.
5. Release of progress and final payments within five (5) calendar days of warrant date or EFT date whichever is sooner.
6. Price based on mutually agreed upon schedule, in writing, with 60 days written notice for all move-ins.
7. Prices subject to change if not accepted in writing within thirty (30) days.
8. Attendance of any prime contractor safety meeting shall be at force account plus standard subcontractor markups.
9. RES will require prime contractor to coordinate construction activities at each location.
10. Our insurance for this project will not include coverage beyond the standard limits carried by RES, or any insurance coverage in favor of others, or an excess umbrella liability policy.
11. RES shall receive copy of all CPM's and schedules and their revisions with time to comment and dispute prior to submittal to owner failure to comply shall relieve RES of any obligations related to the contents of the schedule or impacts to the schedule and any related penalties. In the event that durations or information is forwarded to Caltrans without the consent of RES and the unapproved information becomes part of a claim or contract change order any monetary consequences will become the Contractor's responsibility. Referring RES to review the project schedule at the contractor's office is not acceptable.
12. This quotation shall be made an integral part of our subcontract agreement as a scanned copy of this exact document, in its entirety, and as such shall supersede any conflicting language in the subcontract agreement. Rewording or paraphrasing of our terms for inclusion in subcontract is unacceptable.
13. RES rejects all of the terms in every prime contractor advertisement and solicitation, and encourages primes to assist with DBE participation.
14. Prices bid as a package, please call before splitting.
15. Traffic control and k-rail movement to be provided as deemed necessary by RES at no cost to RES.
16. Jobsite water at work areas and sanitary facilities with wash stations to be provided by others at no cost to RES.
17. RES will require any temporary k-rail movement and specific location of k-rail openings to be coordinated with its operations and will be staging paving equipment and related equipment at worksite unless other arrangements satisfactory to RES are made in advance at no cost to RES.
18. Storage area for Temporary Roadway materials to be provided by others at no cost to RES.
19. RES will require use of the entire project limits, both directions, during our work, all other work that conflicts with RES's use of the right of way shall stop and clear the way as needed, and as determined by RES.
20. **Prices are based on working standard shifts without overtime, and working in an uninterrupted sequence 5 days a week.**
21. **Prices listed above include mobilization as follows; 2 MOBs for all work. Additional mobilizations are $3000 each.**

# GOOD FAITH EFFORTS DOCUMENTATION - DBE

DES-OE-0102.11A (NEW 06/2012)

1. List items of work the Bidder made available to DBE firms. Identify these items of work the Bidder might otherwise perform with its own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

Hi,
Langley Traffic Service is an over-the-road trucking company with vans & flatbeds.
We do not have dump trucks or construction equipment.
If there is a need for our service, please let me know.
Thanks,
Ann Pasquarello

**Phone:** (805) 237-1186 **Fax:** (805) 237-1187 **Email:** jb@brukiewicz.com
**Services needed:**
**Requirements:** Santa Margarita Construction Corp (General Contractor) is interested in soliciting in Good Faith with qualified DVBE, UDBE and DBE subcontractors, professional service providers, material contractors and material and equipment suppliers for this project and is dedicated to ensuring DVBE, UDBE and DBE firms have the opportunity to contract with our company. This includes but is not limited to breaking down discrete items of work into smaller more economically feasible units to facilitate more opportunities for DVBEs, UDBEs and DBEs. All bid items are open for DVBE, UDBE and DBE participation. Our estimating staff is available to assist DVBEs, UDBEs and DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services when requested. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety subject to approval by Santa Margarita Construction Corp. Santa Margarita Construction Corp. may pay bond premium up to 1.5%. Worker's Compensation and General Liability Waivers of Subrogation will be required. Quotations must be valid for the same duration as specified by the Owner for contract award and in the event an extension is requested by Owner quotations must be valid for the time requested therein. Quotations may be broken down into comparable packages as reasonably necessary. All subcontractors must sign Santa Margarita Construction Corp.'s Subcontract (Standard Subcontract) available for viewing at our office; please contact our estimating department at (805) 237-1186 or by email at structures.est@Brukiewicz.com in order to arrange viewing of the Standard Subcontract. Subcontractor will be deemed to have accepted the terms of the Standard Subcontract by providing a bid. Any attempt by a subcontractor to revise or limit those terms will be void. Prevailing Wages must be met per contract. Plans and Specifications are available for viewing at our office. # INVITATION

Construction Contractor-
Subcontractor Outreach Event
October 5, 2010

Business OUTREACH Committee

Dear Contractor:

On behalf of the Business Outreach Committee (BOC), a consortium of Bay Area transit and transportation agencies with small disadvantaged business enterprise (DBE) programs, I invite you to join us on October 5, 2010, in the Atrium of the San Francisco Municipal Transportation Agency (SFMTA/MUNI), 1 South Van Ness Avenue, San Francisco, California, from 4 p.m. to 7 p.m. to hear about upcoming construction projects in and around the Bay Area and meet with prime contractors and agency personnel.

The Business Outreach Committee's mission is to assist disadvantaged business enterprises and other small and/or local companies with expansion of their businesses by developing relationships with transit agency staffs and the contracting community of the San Francisco Bay Area. This event will focus on helping the construction subcontracting community build effective relationships with primes, and facilitate the introduction and matchmaking of small and disadvantaged businesses with prime contractors who bid and perform on major transportation projects in Northern California. Don't miss this opportunity to meet key decision makers!

Enclosed is a registration form. Please RSVP by **October 1, 2010** to Gail Jackson via fax at (415) 257-4555 or e-mail at GJackson@goldengate.org. For further information or questions, please contact her at (415) 257-4581. We hope you will join us for this worthy event.

Very truly yours,

BUSINESS OUTREACH COMMITTEE

Raymond Lee
DBE Officer
San Mateo County Transit District
Peninsula Corridor Joint Powers Board
1250 San Carlos Avenue
San Carlos, CA 94070
