Central Concrete's material suppliers will not provide long-term sourcing guarantees; therefore, Central Concrete cannot guarantee material sourcing throughout a project for reasons including, but not limited to extensive logistic issues with imports, natural disasters, union strikes, environmental concerns, permitting, inclement weather, power outages, and general maintenance issues. In recent years, Central Concrete's material supplies were interrupted several times by many of aforementioned items.

In order to better serve our customers, Central Concrete has expanded its sourcing to include additional suppliers to provide increased options in a limited supply situation. Central Concrete will be submitting both our standard mix designs with our standard materials in conjunction with an alternate mix with an alternate stone source. Additionally, alternate cement, sand and fly ash certifications will be submitted as emergency alternates for short-term or long-term shortages. This quote is contingent on Central Concrete's flexibility to utilize these alternate materials as needed. When alternate materials are utilized, Central Concrete will choose materials that will fulfill specified performance properties. Central Concrete will not be liable for construction delays if extensive testing and re-submittals are required as material changes occur.

**Fuel Surcharge Index Chart**

**2012 average fuel cost \$4.46/gallon = April surcharge of \$1.25/cu. yd.\*\***

The basis of the fuel surcharge will be the Department of Energy Price Index for California U.S. On-Highway Diesel Fuel Prices and can be found at:

<http://www.eia.gov/petroleum/gasdiesel/>

The fuel surcharge will be indexed monthly from a **base of \$4.00/gal.** On the first Monday of each month the average of the previous week's fuel cost will be used to calculate the current month's fuel surcharge. For every \$0.05 in fuel increase over the **\$4.00 base** Central will charge a surcharge of \$0.125/cyd. **This fuel surcharge index will be updated and posted on our company website with the current fuel surcharge rate for the current month and will be highlighted as shown above the chart to the right.**

Supplier for the Concrete Contractor

## Terms and Conditions

1. **Quote Effectiveness.** This quotation is effective for thirty (30) days from the stated date, unless extended in writing by Supplier. If an effective quotation is duly signed by Customer's and Supplier's authorized representatives, and Customer has been approved by Supplier's credit department, then this quotation, and all of the terms and conditions herein set forth with no changes or additions, shall (i) constitute a contract (collectively referred to as this "Contract") and be binding on Supplier and Customer; and (ii) take the place of and preclude and exclude any terms and conditions set forth by the Customer on any of the Customer's orders, bills, instructions or any other written instruments of any kind.
2. **Prices.**
  - a. Prices stated herein are for deliveries made Monday through Friday (holidays excepted), during the regular construction industry working hours, and deliveries made outside of these dates and times are subject to additional charges. Prices and quantities for concrete are based on the volume of concrete in a plastic and unhardened state at the time of discharge from the delivery truck. All quantities of the products, materials and supplies listed on the reverse side (the "Products") mentioned in this contract are the full amounts estimated to be required for the job, but it is understood that this contract is for the total quantity of like products actually required or used in the job whether more or less than the estimate, whether used by the Customer hereof or by any one or more of Customer's subcontractors. If Supplier is not the original and sole supplier for the Products to the project referenced on the reverse side, Supplier reserves the right to renegotiate all prices, terms and conditions. Supplier will furnish brands of cement and types of aggregate at its own discretion, and any deviation from this policy requested by the Customer and which results in increased costs shall be added to the herein quoted prices.
  - b. Stated prices are subject to a fuel surcharge.
3. **Payment Terms: Taxes.** Customer shall pay to Supplier all amounts due under this Contract regarding the sale and delivery of the Products, including all taxes applicable to the sale and delivery of such Products, within 30 days of the delivery date. All such amounts not paid within 30 days of delivery will bear interest up to the maximum rate allowable by applicable law. Customer agrees to pay all collection costs, including attorney's fees, sheriff's fees and court costs, incurred by Supplier in connection with any attempt by Supplier to collect any amounts due under this Contract. All payments shall first be applied to unpaid finance charges with the balance being applied to unpaid principal debt. Customer shall pay to Supplier a returned check fee in the amount of \$30.00 for each of Supplier's checks dishonored for any reason. However, if at any time in the sole opinion of Supplier, the financial responsibility of the Customer becomes impaired or unsatisfactory, Supplier reserves the right to require payment in advance or other security for delivery under this Contract, and payment for all Products shipped under this Contract becomes due and payable immediately. No monies due Customer under the work for which these products are being supplied shall be assigned to any person, concern, or entity without the prior written consent of Supplier. Credit will be allowed for any Product(s) canceled, ordered, and delivered by mistake or ordered in excess of requirements.
4. **Delivery.**
  - a. It is agreed that Supplier is to deliver the materials and supplies only to the curb or public street line to which the relevant lot adjoins. If Customer, or an employee, agent or contractor of Customer (a "Representative") requests delivery of said materials and supplies beyond the curb or public street on and over private property, such service is additional service performed by Supplier for the Customer, and Customer (i) shall maintain, or cause to be maintained safe, suitable and sufficient means of access for Supplier's trucks at the requested and directed points of discharge in order to safely discharge the ordered product(s); and (ii) as consideration for the additional services, hereby releases, indemnifies, and holds harmless Supplier and its Representatives from and against any and all liability for damages to such third party's property which may result from the movement of Supplier's delivery trucks over sidewalks, driveways or any part of the third party's premises. If wrecker service is necessary, all such costs shall be the responsibility of the Customer. Supplier reserves the right to refuse to make deliveries when it believes delivery would be unsafe or impractical due to existing or threatened strikes, lockout, boycott, or other labor disputes.
  - b. Customer agrees to pay any and all costs for repairs, necessitated by damage to Supplier's trucks and/or equipment resulting from any cause whatever during the process of delivery on the job site or unloading on the job site, other than negligence on the part of Supplier's employee or mechanical failure of Supplier's trucks and/or equipment.
  - c. Customer shall pay to Supplier, in addition to all other amounts, at Supplier's prevailing hourly delivery rate as calculated in one-quarter hour intervals, for all (i) waiting time caused by the Customer's delaying and/or holding the departure of Supplier's delivery trucks at the plant and/or delaying and/or holding discharge upon arrival at the delivery location, and (ii) unloading time in excess of eight minutes per yard.
  - d. Customer is responsible for obtaining any and all required permits.
  - e. Customer shall notify Supplier no later than 12:00 noon, the day before the Product(s) are required. All deliveries will be made to the best of Supplier's ability and dispatch. Supplier shall not be liable for any delivery delays due to job conditions or delays incident to the nature of this type of construction. No more than 100 cubic yards will be delivered per hour, except by special arrangements.
5. **Warranty: Indemnity.**
  - a. EXCEPT AS OTHERWISE STATED IN THIS SECTION 5, SUPPLIER WARRANTS THAT THE PRODUCT(S) SOLD PURSUANT HERETO SHALL CONFORM WITH THE PRECISE DESCRIPTION OF THE PRODUCT(S) THAT APPEARS ON THE FACE OF THE DELIVERY TICKET WHEN TESTED AND SAMPLED IN ACCORDANCE WITH SECTION 3.b. - C. With respect to ready-mixed concrete, Supplier shall not be liable, pursuant to a breach of the above warranty, or otherwise, for any liabilities, damages or other claims whatsoever resulting from: (i) the deviation from applicable ACI standards for placement, finishing, protection and curing, jointing techniques, or any other factors beyond Supplier's control; (ii) any alteration of the concrete by the addition of any materials (including, without limitation, water, additives, chemicals, etc.) other than those provided by and/or approved by Supplier; (iii) any concrete mix designs provided by Customer or its Representatives, unless such mix design is tested and certified by Supplier; (iv) any color variations due to admixtures that are requested by the Customer to be added to the concrete mix; (v) any concrete which is held in the truck at the job site for more than 30 minutes after normal mixing time; or (vi) use of concrete for a purpose other than for use in the work mentioned in this Contract. If any Products are used for any other work, or are re-sold for use in any other work, or disposed for any other purposes, Supplier shall not be liable for any damages whatsoever, and Supplier may immediately terminate this contract.

## 6. Limitation of Liability:

- a. SUPPLIER SHALL NOT BE LIABLE IN ANY EVENT OR FOR ANY REASON, INCLUDING BREACH OF THIS CONTRACT, EITHER DIRECTLY OR INDIRECTLY, TO CUSTOMER OR ANY THIRD PARTY FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFITS ARISING OUT OF THIS CONTRACT, EVEN IF SUCH DAMAGES WERE FORESEEABLE OR SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IT IS EXPRESSLY AGREED THAT SUPPLIER SHALL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE TO ANY PARTY FOR AN AMOUNT GREATER THAN THE NET PURCHASE PRICE OF THE PRODUCT.
- b. In the event the product does not conform to the precise description set forth on the face of this delivery ticket, then Supplier shall, in its sole and absolute discretion, either replace such product with conforming product, or refund the amount of the purchase price, or give a credit in a like amount to the account of the Customer with no further liability, including but not limited to any claims for damage or destruction to other property that may be caused by the removal of the nonconforming product, breach of contract, breach of warranty or any other damage, delay or penalty claims.
- c. Supplier, without prior notification to the buyer, reserves the right to change or modify mix designs for any of its manufactured products. Customer acknowledges that changes to the mix designs may alter weights, appearance and color. Raw material suppliers cannot guarantee the color consistency of a natural product extracted from the earth.
