Ms. Davis,

Good afternoon. Thank you for taking my call earlier this afternoon. This is in response to your company's written request for a list of various sub-contractors that Gordon N. Ball, Inc., can utilize to contact sub-prime businesses when bidding on certain projects within the State of California. Your request is dated March 4, 2015, and was received in our office March 9, 2015.

After we spoke on the telephone, I was able to obtain more information for you with regard to your MBE/WBE inquiry. California does not carry or maintain a database of those particular types of firms, due to Proposition 209. Please see below for more information that was provided by the Caltrans Office of Business and Economic Opportunity.

Thank you. If you have further questions, please don't hesitate to contact us in the future.

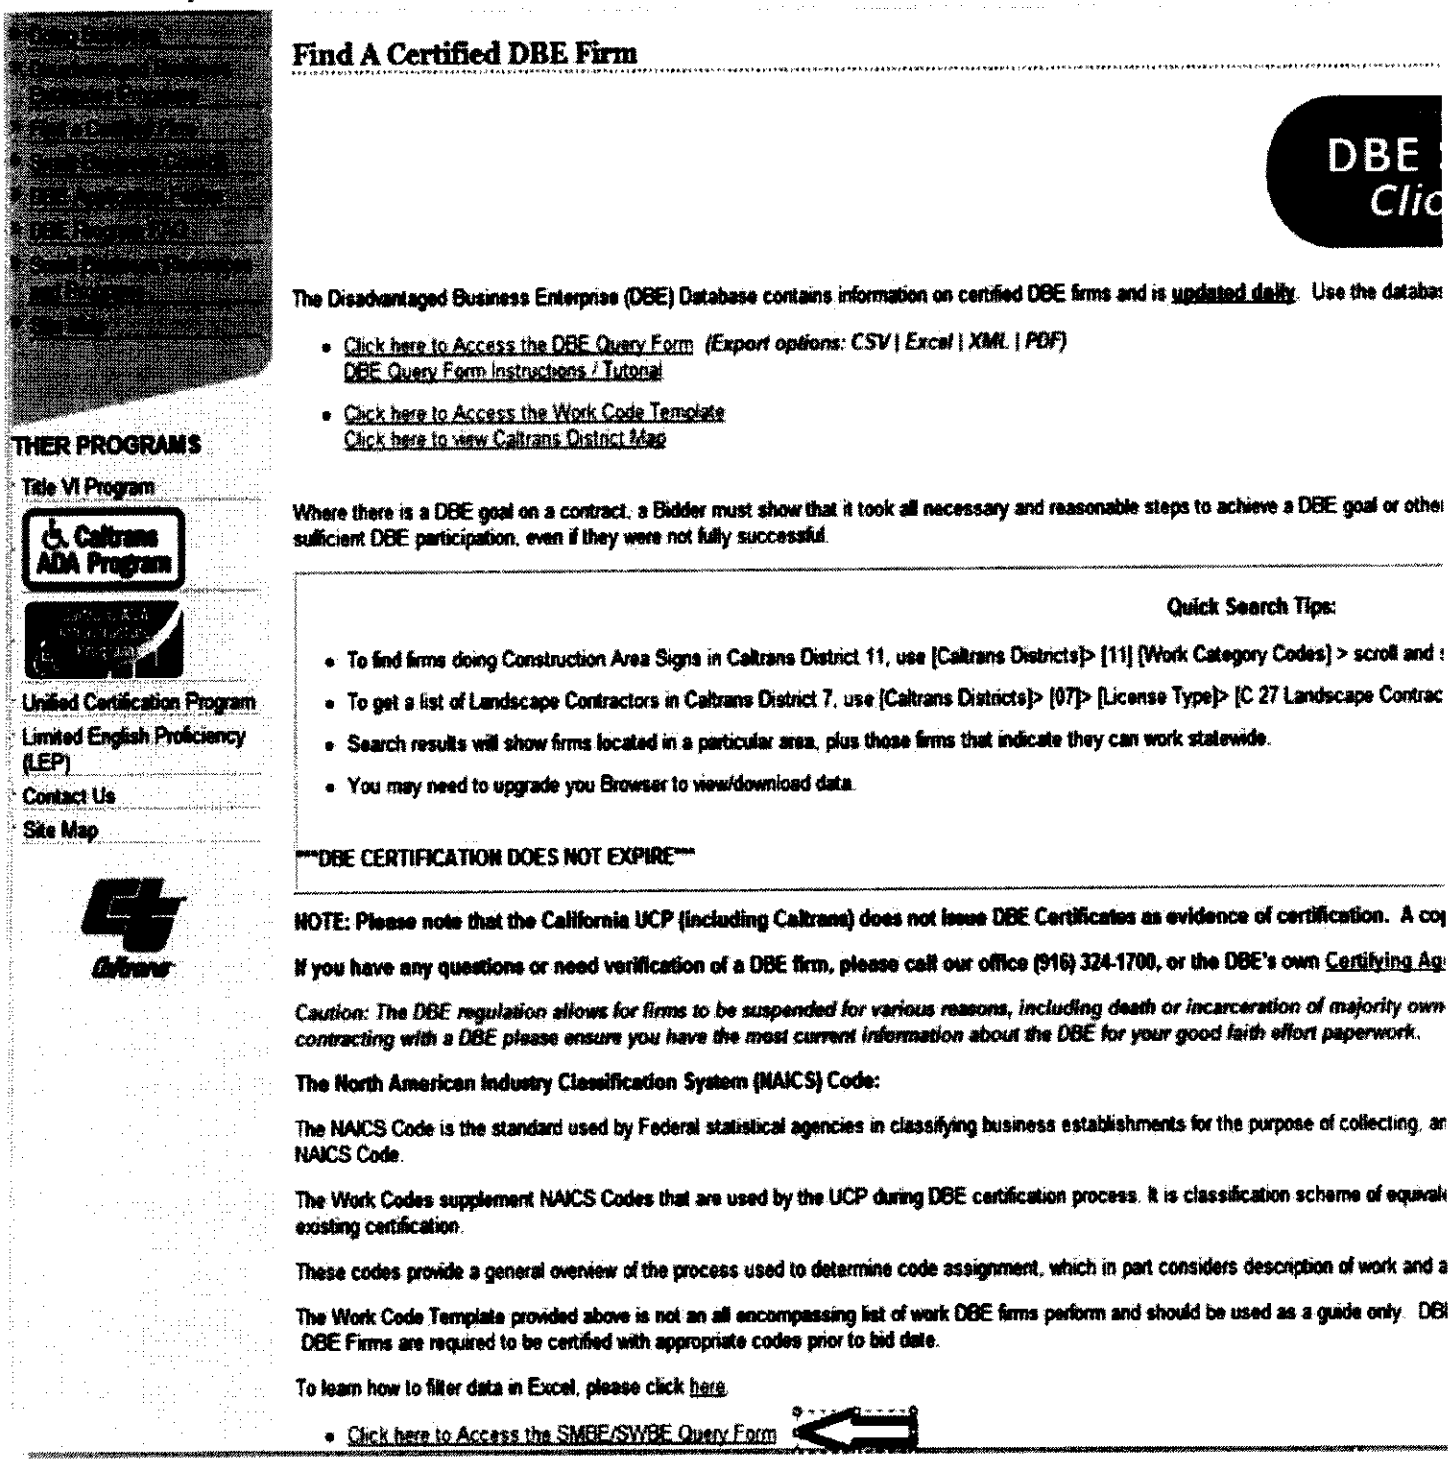
Hi Michelle,

Caltrans does not accept SMBE/SWBE due to Proposition 209, although we do house the search database for SMBE/SWBE firms. Those seeking SWBE/SMBE firms can visit our website and search the database at http://www.dot.ca.gov/hq/bep/find_certified.htm when they visit this link have them scroll toward the bottom of the site and click on the SWBE/SMBE Query Form link. I have included a screen capture with an arrow pointing to the appropriate tab to click on.

On this same page a firm seeking a certified Disadvantaged Business Enterprise, for federally aided contracts, can follow the same link I provided above and click on the big blue button "DBE SEARCH Click Here" to conduct their search.



Please let me know if I can be of any further assistance.

Hello Tristen: Please remove us from your mailing list for contract opportunity notices. SFO is not a contract center for posting opportunities with other agencies, and we do not have a DBE directory to send to you. However, you might want to contact Benjamin Poole, see information below, to ask if he would post your contracting notices at their Center in San Francisco.

I also attached a list of building exchanges that we notify of SFO contracting opportunities.

Here are a few websites for listings of DBEs/LBEs/SBEs:

I hope this is helpful information.
