Graniterock is bidding contract no. 04-2A2504 to Caltrans on December 3rd as a prime. Caltrans has recommended to us that we contact district 4 Small Business Liaisons in an effort to search for more DBE firms that would be interested in participating as subcontractors on this and other projects. I have already searched Caltrans UCP database and will be sending bid invitations to those firms coming up in my search. At one time it was suggested to me that I search out DBE's on the small business database, but there doesn't seem to be a way to do that on the query form.

Can you recommend any other outlet or way to search for DBE firms? Thank you in advance for your help.

Hi Denise,

George Crosby of the District 4 Small Business Program asked that I contact you regarding your need to reach out to DBE contractors. The primary site for the search is the CUCP site you used. However, the Office of Engineering (OE) has the *'Opt In'* feature where primes can search for subs who have submitted for interest in particular projects (http://www.dot.ca.gov/hq/esc/oe/contractor_info/). You can go to the 2nd column, 4th from the top, and click there to begin your search.

Lastly, if you send me a description of the scope of work you are seeking to fill with DBEs, I can put together a list of contractors from our internal contacts list and send it to you.

Respectfully,

Denise,

I'm glad to hear that you are reaching out to DBEs and SBEs. You have used the two main databases that Caltrans uses. The SB database allows you to search for companies using keywords and location. You can choose the location where the project is located and all companies willing to do work in that area will come up. Also, there is the "looking for help" button on the OE website. Our subs are very good about opting in.

I have seen contracts coming in with higher DBE goals than required, so they are out there. You just need to reach out to them with enough time to allow them to put their bids together. Let me know if you have any more questions.

Denise,

All certified DBEs are found in the CUCP Database. You are accessing the same information that we are. The "Opt in" is also a very good resource. As far as the project with the DVBE and SBE goals, I can forward your email to our contacts if you give me a list of the type of bid items you are requesting.

We are bidding a few district 4 projects in the near future.

04-3E3104 – DVBE requirement & SBE incentive
04-235624 – DBE goal
04-153304 – DBE goal
04-265604 – DBE goal

My questions are . . . do you have sub listings that we wouldn't have access to outside of the CUCP database? Do you think that we are pretty much reaching the largest list of DBE firms to solicit by searching on the CUCP database, and by inviting firms on the project "Opt In" list to participate?

We are trying to reach out to as many firms as we can that might be interested in participating in our contracts. All local public agency outreach programs point you to the CUCP program for searching DBE firms.
