Dear Mr. Sehgal,

The Department of Transportation (Caltrans) received a bid submitted by America Pacific Construction (America) for Contract number 04-2G4424 on November 5, 2015. By this letter, Caltrans notifies America that its bid is nonresponsive since America failed to submit the Bidder Security.

Revised Standard Specification Section 2-1.34 Bidder Security, which states in part:

"Submit one of the following forms of bidder's security equal to at least 10 percent of the bid:

1. Cash
2. Cashier's check
3. Certified check
4. Signed bidder's bond by an admitted surety insurer
5. For an electronic bid, electronic bidder's bond by an admitted surety insurer submitted using an electronic registry service approved by the Department.

Submit cash, cashier's check, certified check, or bidder's bond to the Department at the Bidders Exchange before the bid opening time.

Submit electronic bidder's bond with the electronic bid.

If using a bidder's bond, you may use the form in the Bid book. If you do not use the form in the Bid book, use a form containing the same information."

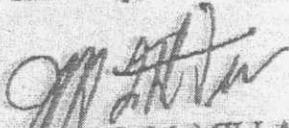

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.
