SUBJECT: Caltrans Contract #04-2G9504, Construction on State Highway in Napa County

RE: Explanation of Selection of Non-DBE Firms

To Whom It May Concern,

As instructed in Section 3 of the DBE Good Faith Efforts Documentation form, this letter provides reasoning for our selection of two non-DBE firms listed in Section 3.

For trucking of soil, Butte Sand Trucking was selected over Double M Trucking based on their prices. Double M's price was \$23,409 higher than the price quoted by Butte Sand.

For furnishing and installing the Gasoline Resistant Geomembrane (GRG), D&E Construction was selected because they had the lowest price of the quotes we received. None of the quotes we received for installation of the GRG were from DBE firms.

Sincerely,

ANDERSON DRAGLINE, INC.
