Quotes provided by: **Eric Levy**, Estimating, Sales & Marketing
 Estimating Phone 707-571-8820, ext. 2 Estimating Fax 707-571-8223

Email: ericlevy@rstrucking.com

State of California CALTRANS certified:
Disadvantaged Business Enterprise (DBE) # 484110 under ID # 38042
 and

State of California, Department of General Services certified:
Small Business Concern (SB) # 1000659

Providing a "Commercially Useful Function" since 1984

Terms & Conditions:

1. All quotes must be on an R & S Trucking quote sheets (pages 1, 2, 3 & 4); all purchase orders/letter of intent to duplicate the same. **PLEASE ATTACH A COPY OF QUOTE, WITH ALL PURCHASE ORDERS OR WORK AUTHORIZATIONS.**
2. Purchase orders/letter of intent must be issued within 14 working days of bid date; **Hourly rates only will be honored during the transition period.**
3. When per load / un-scaled loads are quoted, the following allowable times apply: Quarry site / Load site with Aggregates for all truck (4 and 5 axle) types: **5 minutes**. And at the Dumpsite / Job site with Aggregates for Double bottoms / Semi ends / Super dumps: **3 minutes**.
4. **Demurrage / Standby Time** charges will be charged, after the standard allowable times listed, based on the hourly rates quoted, on page 1) as an example: \$85.00 hourly = \$1.42 per minute. Or \$ 90.00 hourly = \$1.50 per minute, or \$ 98.00/hourly = \$ 1.63 per minute, etc. Also standby time / demurrage starts upon arrival at the jobsite, including but not limited to: when governmental agencies/general contractors require traffic control points before the actual jobsite (traffic control points, flagmen control, lane closure etc.), and then standby time / demurrage charges will commence starting at the point of that traffic control location.
5. It will be the contractor's /customers sole responsibility to collect all demurrage /standby time at any quarry site/ load site.
6. **Never will any "Averaging of Standby Time" be allowed.** In other words; standby averaging is not allowed at all, as first stated on page 1, reflective in qualifying maximum allowable times in tonnage rate quotes. Demurrage / standby time will be billed and become due & payable after the maximum allowable times listed at the rate per minute quoted.
7. **Semi End Dumps, Double bottoms, Semi Bottoms and 10-Wheelers are hourly unless agreed in writing by R&S Trucking & Contractor prior to job commencing.**
8. All quotes reflect 100% trucking of said job. R & S Trucking reserves the right to void any /all prices if less than 100%.
9. Please call truck orders in by 2:00 p.m., to check availability. Please notify us several days in advance of any new jobs starting and/or any large truck orders of 10 or more.
10. On all jobs that require certification rosters, additional names may be added at any time.
11. **PROBLEMS ON PROJECTS:** The contractor must FAX into our main office a detailed description of the occurrence, including the sub hauler and/or drivers name, owner of the truck, truck number/trailer(s) number and description of truck/trailer(s), and copy of the freight tag that pertains to this incident or occurrence, along with estimated dollar (\$) amount of loss (when applicable) on the same day of the incident or occurrence. R&S Trucking will accept "NO DEDUCTIONS ON PRICE"

- CHARGES" unless they are notified as stated above. R & S Trucking will then respond back to customer after investigating the incident. All claims for recovery by contractor for loss or damage to commodity hauled must follow this procedure. Any deviation from this procedure will not change the costs incurred and may cause immediate withdrawal of trucking from said job
12. It is the contractor's responsibility to FAX notice to R&S Trucking Estimator prior to job bidding if certified payroll and/or union participation is required (also see Item 32 following).
 13. Saturday rates: add 12.5% to the weekday rates, listed on Page 1. Also, Sunday & Holiday rates: add 25 % to the weekday rates, listed on Page 1. This applies to all rates quoted, regardless of hourly, per ton, per load = ALL RATES.
 14. Minimum Show-up time: On every truck dispatched to customers project, customer will be responsible for paying at least a 4 hour minimum daytime, & 6 hour minimum nighttime, unless previously arranged with dispatch.
 15. All un-scaled tonnage quotes will be based on 26.20 tons per load for Double bottoms. All scaled tonnage quotes for partial loads will be based on 24.00 tons for Transfers. All scaled tonnage quotes for partial loads will be based on 19.00 tons for Semi ends, Semi bottoms and Super Dumps These quotes are based on R&S Trucking performing all trucking requirements on said project. Also, when partial loads are sent back from the jobsite, back to the quarry: The time spent traveling back will be charged at the quoted hourly rate.
 16. If Contractor chooses not to have loads weighted, then contractor is responsible for all overloads, overload tickets, and anything that occurs if load is not weighed.
 17. Hourly time to be charged will start from the time reporting to work (time truck was ordered to be at load site), to the time completing the hourly service, which includes travel time back to the load site on the last load. Time to be charged shall include time for transportation in both directions, time for loading and unloading, and waiting or standby time, at origin and/or destination. Total chargeable time shall be computed to the nearest one-tenth of an hour. Deductions from the time only allowed for carrier equipment failure and meal delays.
 18. R & S Trucking shall render to contractor invoices for services agreed to in the quote sheet/purchase order. Contractor agrees to pay R & S Trucking by the 20th day following the last day of the calendar month in which the work was performed, billed by the 5th day of the following month. When large truck orders are continuous in a given period it may be required that the contractor will be billed weekly and said payment to be no later than 10 days of receipt of invoice. Interest to be charged on all past due accounts at the maximum allowed by law.
 19. Please provide R & S Trucking Estimator with all specific job information, which will be the basis of our quotes. Specific details such as lane closures, traffic control points, project labor agreements/organized labor unions, locations for transfers to drop trailers, State, County & City agencies road closures, on and/or off-ramp turn-around access, designated truck routes per job specific contract language, etc., are needed to qualify per ton or per load rates, as these types of rates reflect time constraints. R & S Trucking reserves the right to void quoted rates that reflect time constraints (per ton or per load) at any time, due to lack of specific accurate information given at time of request. Default to hourly rates might prevail, however that could change also dependent on information given at time of request
 20. Contractor must provide a site on each job for all truckers to clean out trailers daily at end of the last load.
 21. R & S Trucking is not responsible for delays caused by equipment failure of employees, agents or sub haulers of R & S Trucking, or by act of God, strikers, lockouts or similar matters beyond the control of R & S Trucking.
 22. If any action at law or in equity, including an Action for Declaratory Relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party shall be entitled to reasonable attorney's fee which may be set by the court in the same action or in a separate action brought for that purpose in addition to any other relief to which that party may be entitled. This agreement will be governed by and construed in accordance with the laws of the State of California.
 23. Any changes to R & S Trucking freight tags must be received by FAX in the R & S Trucking main offices within 2 working days from date of work performed by R & S Trucking for review.
 24. Notices will be deemed communicated to either party to this agreement by either fax or certified mail using date of actual receipt of notice to receiving party.
 25. R&S Trucking is not responsible for project production due to availability of trucks or any other reason, on any job.
 26. As it is standard practice in the construction industry for contractors not to sign truckers trucking quotes, if R & S Trucking sign's a contractor's agreement/contract for trucking services; this action will be construed as a contractor signing an R & S Trucking complete quote with its terms & agreements. This also means that an R & S Trucking quotes supersedes any/all contractors agreements/contract/purchase order, and contractor will hold harmless anything associated in that contract, including production.
 27. R&S Trucking Co. is a **VENDOR**, not a **SUB CONTRACTOR**.
 28. Yearly escalation raise on top of the base rate quoted shall occur at 6% yearly, commencing 1 year after the job start date, and shall continue yearly with 6% raises, year after year, for the continued duration of this same job.
 29. All Asphalt mix designs, such as Polymer blends, Rubberized, Open-Grade, etc., require the contractor to supply a designated clean-out area on the jobsite, and to supply additional equipment & manpower to help facilitate the clean-out of any and all truck and trailer(s). This also includes other

sticky materials: such as Bay Mud, Wet Concrete mixes, etc. The time spent on this additional clean-out is chargeable and accrues separately for this clean-out procedure, and this extra-time is not allowed to be averaged-out. In addition, R & S Trucking only hauls rubberized/open-grade type asphalts in 5-axle Double bottoms/Semi bottoms only, when available.

- 30. All rates quoted reflect a diesel cost per gallon up to and including: \$ 4.10/per gallon. After it rises to: \$ 4.11/per gallon, R & S Trucking will apply a diesel fuel surcharge rate of 1% for every \$.10 cent per gallon cost increase, as reported by the U.S. Dept. of Energy weekly on-highway diesel cost reports. Applying a diesel surcharge, after \$ 4.11/per gallon, shall be billed thru the previous weeks trucking work (1 week in arrears).
- 31. All quoted rates DO NOT reflect the cost of an on-site truck boss. If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. \$ 350.00/per day/per 8 hour shift, plus fuel cost. This rate is subject to change accordingly.
- 32. If & when and any & all Teamsters Local 315 or any other union local initiation fees and monthly union dues are required for any type of on-site/off-site/import/export trucking or trucks or owner-operators or independents that are pulling R & S Trucking's boxes or trailers - All dues payable will be paid out thru the general contractor awarded the above mentioned job. This applies to Project Labor Agreements also. R & S Trucking is not obligated to be a member of the Teamsters or join any other agreement with any organized union, or any project labor agreements.
- 33. When "budget trucking only estimates" are provided alongside quoted hourly rates, these budgets are provided reflecting the contractors/estimators desire & requests to help arrive to a: "Approximation of time cycles and/or tonnage estimate to help create a budget cost +/-". These budget costs/rates are not to be considered accurate enough for a commitment and are created only for a convenience, therefor only the hourly rates quoted at the time shall prevail.

Barner

TO: Estimator FROM: Matt Sorrow
PROJECT DESCRIPTION: Route 680 Martinez - Arthur to Benicia Bridge DATE: March 5th, 2014
BID FOR CONTRACT NO.: 04-3A8704 TOTAL NO. OF PAGES: 2

R.E. Serrano, Inc. is pleased to submit our quotation for the bid items listed below.

Table with 7 columns: Bid Item, Description, Unit, Quantity, Unit Price, Total. Row 1: 130 Concrete Barrier Type 60C, LF, 550, \$ 196.00, \$ 107,800.00. Row 2: 131 Concrete Barrier Type 60D, LF, 37, \$ 270.00, \$ 9,990.00. Row 3: TOTAL, \$ 117,790.00.

2 shifts TC

Exclusions:

- 1. Storm Water Pollution Control, Water Pollution Control Plans and implementation or cost thereof.
2. Survey, layout and/or staking.
3. Dust control and haul road maintenance.
4. Sweeping and/or vacuum broom, other than directly related to our work.
5. Bonds, permits, fees and cost thereof.
6. Grading, compaction, backfill and/or shoring.
7. Pavement markings (Temporary or Permanent).
8. Furnishing or moving any of the following will be the responsibility of others and will be scheduled by prime not to interfere with our work; K-Rail, crash cushions, QCMB, traffic control, CMS, k-rail end protection devices, terminal sections, crash arrays.
9. Fencing or electrical imbeds, block outs, accessories or installation thereof, and any related reinforcing details.
10. Post Mile Markers.
11. Dewatering and control of surface water.
12. Removal or disposal of hazardous or contaminated materials and any related costs.
13. Utility Relocations.
14. Architectural finishes, stains, or color.
15. Notification of property owners and/or tenants.
16. Installation or protection of weep pipes, electrical pull boxes, drainage inlets, deck dowels, fencing, barrier mounted signs, sign foundations, sign pedestals, imbeds, and/or any related items or reinforcing details.
17. Maintaining existing traffic management system elements during construction and all related work.
18. Clearing and Grubbing.
19. Labor and hardware for tie-ins to existing or new metal beam guard rail.
20. Furnishing or placing any materials under concrete barrier or any related work.
21. "Standard" Subcontract Agreements, our subcontract terms to be negotiated, any and all terms listed in any advertisement by prime contractor are specifically excluded, and the terms of our quote shall prevail in all cases.
22. Protection of railroad facilities, railroad insurance, and flaggers.
23. Retention.
24. Traffic Control and all related work.
25. Protecting and closing the gap between removed barriers and barriers being constructed.
26. Electroliers, foundations, pedestals, and pull box hardware, and the installation thereof.
27. Coring barrier for fence posts, any fence hardware.
28. Remedies for concrete stains on asphalt.
29. Anti-graffiti coating.
30. Paving high for the convenience of others.

Special Conditions:

- 1. RES will not perform extra work at force account until a CCO for said extra work is fully executed or another method for paying for extra work is established so that extra work will be paid on the next progress estimate following the start of the extra work.
2. All work not paid at a quoted item rate will be charged to the prime at a rate no less than the Caltrans extra work rate for subcontractors with standard markups, regardless of the payment or reimbursement to prime from owner.
3. No amounts shall be withheld from our extra work payments. Only the prime's markup on RES, should the owner pay the markup, may be withheld.

AC Grinding**

Project Name: CA/DOT Retrofit Bridge, Replace Bridge
Project Number: 04-3A8704
Bid Date: 03/05/2014
Location: Martinez, Contra Costa County, CA

BID, AC Grinding

Minimum Daily Charge \$ 2900.00

This price is for a 48" inch cold planer machine, *Wirtgen W 120 F*. Up to 10 inches depth. \$100.00 additional for night work. \$400.00 per hour overtime. \$400.00 additional for Saturday work. \$800.00 additional for Sunday work.

Minimum Daily Charge \$ 3900.00

Bid item #48

This price is for an 80" inch cold planer machine, *Wirtgen W 2000*. Up to 12 inches depth. \$200.00 additional for night work. \$500.00 per hour overtime. \$500.00 additional for Saturday work. \$1000.00 additional for Sunday work.

Mobilization Included

Portland cement concrete grinding is excluded from this quotation.

Removal of Asphalt Concrete over gutter damages can't be guaranteed by ABSL.

ABSL Construction will cold plane as close as possible to existing manholes, water valves, and other obstructions in cutting plane. Handwork and placing temporary asphalt tapers around these objects or at pavement edge for safety requirements are excluded.

Contractor to post streets with "No Parking" signs prior to subcontractor's phase of work, provide water or water meter and provide traffic control during cold planing operation.

All areas to be ground shall be clearly marked by the general or the job inspector.

A minimum of two weeks notice is requested prior to move in.

Anything not specifically included in this price should be considered excluded.

ABSL Construction does not accept backcharges due to machine breakdown during operation above the machine's daily rental fee.

Back charges will only be based on the time the machine is broken and will reflect the cost of the equipment for that time. All others costs due to the equipment breakdown will not be charged to ABSL Construction.

All teeth over one complete set will be charge to the contractor.

ABSL does not accept force account rates or retention.

This quotation will be part of our contract or purchase order agreement and is valid till a new change of the rates.

If you have any questions regarding the above quote please call me at (510) 727-0900 or fax at (510) 727-0912.

Sincerely,

Daryl Vorne
