Re: DVBE/SBE Sweeping Rates Proposal – CalTrans #04-3E6104 – DVBE/SBE

Dear Marc,

We would like to thank you for your time giving us this opportunity to offer you our rates. All rates provided are on a contract to contract basis. We are willing to do what it takes to build strong business relationships and hope that you will continue to call us for assistance on all of your projects.

Service Rates

Prevailing Sweeping Rate: \$ 145.00 per hour with a 6 hour minimum (DVBE #0000333)  $\times 115.86 \text{ hrs} = 16,800.00$   
Overtime Rate: \$ 30.00 per hour additional (Over 8 Hours on Job Site)

Surcharges

Travel Rate: \$ 114.00 per hour to and from project locations  
Per Diem: \$ 105.00 per diem (Per Nightly Lodging if necessary)  
Weekend Hold: \$ 80.00 per hour with a 6 hour minimum (Per day lodging onsite during weekend)  
Cancellation: \$ 95.00 per hour with a 6 hour minimum (Per scheduled day canceled)  
Weekend Rate: \$ 20.00 per hour additional (Saturday, Sunday, and Holidays)  
Night Rate: \$ 20.00 per hour (8:00PM – 8:00AM)

*We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable. If dispatched equipment/driver is not able to perform on scheduled day, client will be responsible for acquiring a replacement, client will assume any and all liability for delay due to this circumstance; this clause remains in effect from the date of this proposal, without signature of acceptance. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) \*Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Sincerely,

Aaron D. Ashcraft

Bridge tolls are paid for by Prime Contractor

Based upon the current cost of diesel fuel at \$ 4.08 per gallon

(<http://tonto.eia.doe.gov/oog/info/wohdp/diesel.asp>), for every 10 cent increase in fuel, a surcharge of 1 % will be added to the hourly invoicing rate, tonnage rate or per load rate. The surcharge will be effective April 23, 2013 and will continue to rise and fall depending on the cost of fuel. Should the price of diesel fuel continue to increase over \$ 4.50 per gallon, we will renegotiate the hourly rate, tonnage rate or per load rate in lieu of an additional surcharge.

RE: Disabled Veterans Business Enterprise (DVBE) #48639

Dear Mr. Harp:

This letter is regarding the review conducted by the Department of Transportation (Caltrans) Contract Evaluation Unit (CEU) staff on March 1, 2012. Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

| Classification Number | Description                              |
|-----------------------|--|
| 211022                | Forestry Machinery and Equipment         |
| 251016                | Products and Material Transport Vehicles |
|                       |  |
| 721410                | Highway and Road Construction Services   |
| 721415                | Land Preparation Services                |
| 781415                | Transport Arranging Services             |
| 921016                | Fire Services                            |

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For the remaining services listed on your DVBE certification, no documentation or evidence has been provided to demonstrate that you perform, manage or supervise the work involved.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Caltrans CEU is amiable to re-visit your firm to determine if work classifications and updated information reflect actual practices.

Re: DVBE/SBE Sweeping Rates Proposal – CalTrans #04-3E6104 – DVBE/SBE

Dear Marc,

We would like to thank you for your time giving us this opportunity to offer you our rates. All rates provided are on a contract to contract basis. We are willing to do what it takes to build strong business relationship and hope that you will continue to call us for assistance on all of your projects.

Service Rates

Prevailing Sweeping Rate: \$ 145.00 per hour with a 6 hour minimum (DVBE #0000333)  $\times 115.86 \text{ hrs} = 16,800.00$   
Overtime Rate: \$ 30.00 per hour additional (Over 8 Hours on Job Site)

Surcharges

Travel Rate: \$ 114.00 per hour to and from project locations  
Per Diem: \$ 105.00 per diem (Per Nightly Lodging if necessary)  
Weekend Hold: \$ 80.00 per hour with a 6 hour minimum (Per day lodging onsite during weekend)  
Cancellation: \$ 95.00 per hour with a 6 hour minimum (Per scheduled day canceled)  
Weekend Rate: \$ 20.00 per hour additional (Saturday, Sunday, and Holidays)  
Night Rate: \$ 20.00 per hour (8:00PM – 8:00AM)

*We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable. If dispatched equipment/driver is not able to perform on scheduled day, client will be responsible for acquiring a replacement, client will assume any and all liability for delay due to this circumstance; this clause remains in effect from the date of this proposal, without signature of acceptance. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) \*Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Sincerely,

Aaron D. Ashcraft

**PROVISIONS:**

These rates are not quoted to meet any labor agreements, nor do they reflect any prevailing wage pricing. If prevailing wage is required, it will be the Prime Contractor's responsibility to pay any additional cost incurred by JD Harp Trucking.

Bridge tolls are paid for by Prime Contractor

Based upon the current cost of diesel fuel at \$ 4.08 per gallon

(<http://tonto.eia.doe.gov/oog/info/wohdp/diesel.asp>), for every 10 cent increase in fuel , a surcharge of 1 % will be added to the hourly invoicing rate, tonnage rate or per load rate. The surcharge will be effective April 23, 2013 and will continue to rise and fall depending on the cost of fuel. Should the price of diesel fuel continue to increase over \$ 4.50 per gallon, we will renegotiate the hourly rate, tonnage rate or per load rate in lieu of an additional surcharge.

RE: Disabled Veterans Business Enterprise (DVBE) #48639

Dear Mr. Harp:

This letter is regarding the review conducted by the Department of Transportation (Caltrans) Contract Evaluation Unit (CEU) staff on March 1, 2012. Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

| Classification Number | Description                              |
|-----------------------|--|
| 211022                | Forestry Machinery and Equipment         |
| 251016                | Products and Material Transport Vehicles |
|                       |  |
| 721410                | Highway and Road Construction Services   |
| 721415                | Land Preparation Services                |
| 781415                | Transport Arranging Services             |
| 921016                | Fire Services                            |

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For the remaining services listed on your DVBE certification, no documentation or evidence has been provided to demonstrate that you perform, manage or supervise the work involved.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Caltrans CEU is amiable to re-visit your firm to determine if work classifications and updated information reflect actual practices.
