Dear Mr. Chase:

The Department of Transportation (Caltrans) received a bid from Peterson Chase General Engineering Construction, Inc. (Peterson Chase) for contract 04-4H8504 on January 7, 2015, and claimed the Non-Small Business Subcontractor Preference (NSBP).

Caltrans conducted a review of the bid documents submitted by Peterson Chase and determined that the participation listed on the Certified Small Business Listing did not meet the required 25 percent to qualify for the preference. The certified amount was 6.6 percent.

Refer to Section 2-1.18C Non-Small Business Subcontractor Preference of the 2010 Standard Specifications that states:

*"The Department allows a bidder not certified as a small business by the Department of General Services, Office of Small Business and DVBE Services, a preference if:*

- 1. Bidder submitted a completed Request for Small Business Preference or Non-Small Business Preference form with its bid,*
- 2. Certified Small Business Listing for the Non-Small Business Preference form shows that you are subcontracting at least 25 percent to certified small businesses."*

Based on the above, Caltrans will proceed to award this contact to the lowest responsive and responsible bidder provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
