Dear Mr. Gregg:

The Department of Transportation (Caltrans) received a bid from Granite Construction Company (Granite) on contract 05-1A7204 on April 1, 2015. Granite listed Lee Wilson (100%) and Taft Electric (100%) to perform bid items 74 (Modify Wireless Vehicle Detector System) and 75 (Modify Signal) on its Subcontractor List.

Public Contract Code Section 4106 States in pertinent part:

“If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself.”

If Granite is awarded contract 05-1A7204, it must perform bid items 74 and 75 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
