USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment. The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable. USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications. Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor. This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement. USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union.

The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

Solicitation Number: Specification No. HD-S2367

BBII is signatory to the Operating Engineers, Laborers, Cement Masons and Carpenters Unions. Please call for bonding and insurance assistance. Subcontractors should expect to sign the standard BBII subcontract form and provide a waiver of subrogation. It is the Subcontractors' responsibility to read the Plans and Specs and to acknowledge all Addenda in their Scope and Quotes. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Subcontractor scope (including any conditions or exceptions) is required 48 hours prior to bid deadline to allow proper evaluation. In order to assist SBE/VSBE/DBE Contractors and suppliers, we will divide total requirements into smaller tasks or quantities, and if necessary, adjust schedules to permit maximum participation. Interested subcontractors are required to indicate all lower-tier SBE/VSBE/DBE participation offered on our quotation.
