Dear Mr. Patterson:

The Department of Transportation (Caltrans) received a letter dated June 4, 2015, from Dreambuilder Construction Corp (Dreambuilder) protesting the bid submitted by STL Landscape, Inc. (STL Landscape). Dreambuilder alleges that on the Subcontractor's List form, STL Landscape listed Statewide Safety and Signs, Inc. to perform 90 percent of the work described as bid items 3 and 4 (Traffic Control System and Portable Changeable Message Sign). However, listed STL Landscape listed Full Traffic Maintenance on the Disadvantaged Business Enterprise (DBE) commitment list to perform the same bid items, but listed traffic control materials, traffic control equipment rental and portable changing message board rental as the description of work, which resulted in the bid items listed being subcontracted for more than 100%.

Please provide your response to Dreambuilder's protest no later than July 1, 2015.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".
