Includes: Cut & Load into your trucks.

Excludes: Milling any concrete, Hauling, Initial Sweeping, Traffic control, Building or removing temporary tapers, Temporary AC, Layout, Handwork, Posting, Any Temporary Pavement Delineation, Windshield and/or body damage, Supplying water into our machine, Sweeping areas not accessible to a power broom, Maintenance & Protection of milled areas, Trimming trees or shrubs that may interfere with the milling process, Any areas not accessible to our machine.

*2 Day mob 3600 - 7200
250 250 7250*

THANK YOU! . . . for considering us for your asphalt grinding and milling needs. If we can assist you on this or any future jobs, please give us a call.

Good Luck, Ricardo B.

Partial Item #10

1. This bid is not divisible. All items in this quotation must be accepted for the prices set forth above to be effective. This quotation will be incorporated into the subcontract between the parties.
2. All areas to be ground shall be clearly marked by the General Contractor or Agency Representative prior to commencement of grinding.
3. FMG requests a minimum of 2 weeks notice before job starts. A 72 hour notice for change of schedule is requested.
4. The unit prices stated within the quote is based on estimated quantities within the bid proposal. If the quantity changes by 25% or greater, FMG reserves the right to adjust the unit price.
5. The above stated price does not include permits, bonds, state or local taxes.
6. USA notification is to be done by General Contractor prior to commencement of work.
7. Costs of repairs to damaged machinery due to hitting unmarked obstacles (i.e. water valves, manholes, buried steel or iron) will be the responsibility of the General Contractor or Government Agency.
8. All teeth over one (1) complete set will be charged to the contractor. This applies to daily rental only.
9. Back charges to FMG must be communicated by contractor in written form within 48 hours from the time of the occurrence for back charges.
10. Unless agreed otherwise, payment is due and payable within 30 days of billing.
11. Items not specifically included within the quotation are considered excluded.
12. If an Insurance Certificate requires a Waiver of Subrogation, an additional charge of \$250.00 will be applied.
13. No Retention to be withheld on rental rate work.
14. Retention on unit price work shall not be held on work performed by FMG longer than 60 days after completion or acceptance of FMG's work.
15. Customer acknowledges the scope of FMG's work includes changing the elevation of the existing roadway. FMG will have no obligation of defense or indemnity arising out of claims which are the result of FMG's normal construction activity.
16. FMG shall not be held liable for damage to persons or property caused by unraveling of the milled surface after the contractor has reopened the milled roadway to public traffic.

Attention: Estimator
 Quote for Caltrans Project# 06-0R2404

From: Mark Bates Estimator
 Bid Date: April 23rd, 2014

This quote is for striping and related items. This quote contains confidential information and is intended for the addressed person only. PCM requires a 21 day minimum notice prior to mobilization. PCM adheres to the latest Caltrans insurance requirements. This quote is valid for 30 days from the bid date. When accepted this quote it is to be incorporated as an exhibit to the contract or a purchase order. The Contractor must adhere to Business and Professions Code Section 7108.5 & Public Contract Code 10262.5 and make monthly progress payments to PCM no later than 10 days from the date the Contractor is paid. Retention held on PCM will be released 30 days from PCM's final working day. This quote includes traffic control for PCM operations only (excludes traffic control for stripe and RPM removal). Traffic control can be removed from this quote if the prime contractor provides it for PCM. The prime contractor is to provide clean up for stripe and marker removal. This quote includes pavement marker removal. Temporary stripe includes one man and one striping truck for an eight hour shift. Traffic control not included in temporary stripe.

Number of Traffic Control Days: 3
