Dear Mr. Simmons:

The Department of Transportation (Caltrans) received a letter dated April 24, 2015, from Chester Bross Construction Company (Chester Bross) protesting the bid submitted by Granite Construction Company (Granite). The protest alleges that Granite submitted an incomplete Subcontractor List form by not providing the "Description of the Work to be performed" by Safety Stripping Services.

The instructions on the Subcontractor List form state in part... "If the percentage of the bid item work is less than 100 percent list the description of the portion of the work to be subcontracted".

After a review of the bid documents, Granite was not required to list the Description of the Portion of work for Safety Stripping Services, since the percentage of the bid items listed is 100 percent.

Based on the above, Caltrans finds Chester Bross's protest lacks merit and will proceed to award the contract to the lowest responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
