Dear Mr. Gewre,

The Department of Transportation (Caltrans) received a letter dated February 5, 2016, from Agee Construction Corporation (Agee) for Contract number 06-0T5804 in response to a nonresponsive bid finding. Agee disagrees with the finding and request Caltrans reconsider.

Caltrans has carefully reviewed Agee's request, Agee submitted an electronic bid book and failed to provide the name of an individual authorized to submit the bid. Bid Express (Bidx) will allow an incomplete bid to be submitted, but it is the responsibility of the company/authorized individual to determine if all of the required data is being submitted electronically.

As for Sierra Pacific Materials (SPM), Caltrans conducted a second search using the contractor's license number 767055 and the PWCR number 1000004169 provided by Agee and found they belong to Papich Construction Co., Inc. (Papich) and does not link SPM as doing business as. The search using the company name of SPM did not link a PWCR to SPM or SPM doing business with Papich.

Caltrans has reviewed Agee's request for reconsideration of this issue and upholds the original nonresponsive finding.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Defevere".
