_____ Agent or Representative

_____ Date

General Conditions: Unless otherwise specified a 4 hour day, 6 hour night/weekend minimum will be incurred on any trucking day, as well as a 8% increase on all rates for nights and weekends. All tonnage quotes are per US ton based on full loads and direct routes to and from the jobsite and never will any averaging of standby be allowed. Standby will be assessed at the first point of arrival or delay due to the construction site (i.e., traffic control, detours, etc.) and will end when the truck is free and clear to return to the plant or point of origin without delay. If for any reason there is a dispute over standby all tonnage prices will be reversed to hourly rates. If two or more trucks are sent back on standby and don't receive a load there will be a return charge applied for each truck that does not receive a load. A fuel increase will be applied to all rates at 2% for every \$0.20 after the fuel reaches four dollars a gallon. For a current rate on fuel please refer to www.oia.gov on-highway retail diesel prices. All quotes including material subject to change without notice depending on material availability. All individual quotes will be void if this quote is not used in its entirety. It will be customer's responsibility for any citations written for load showing or over loads from job site off hauls. Also, it is customer's responsibility to make WTB aware of any prevailing wage cost's associated with project. WTB will pass on the extra costs associated with prevailing wage to the customer. To ensure truck availability WTB requires a weekly estimate of trucks needed, with a Minimum of 24 hour notice of confirmation for the scheduling of trucks required. Also, WTB Inc. is a Vendor not a Sub Contractor.

Life of Quote: Unless otherwise specified herein this quote will be VOID 30 days after the noted bid date of WTB Inc. Due to material availability and price fluctuations all material prices will be VOID after 30 days.

Payment: All Invoices shall be paid by the 20th of the following month. Late payments will be assessed carrying charges at 1.5% compounded monthly on the outstanding balance. If a dispute arises between the parties, the prevailing party shall be entitled to recover attorney fees in addition to any other relief to which the party may be entitled.

Acceptance: Buyer shall SIGN and RETURN this quote sheet confirming "Special Conditions", price and estimated delivery date via fax or return mail. Failure to return a signed copy within 5 days after the start of quoted project constitutes complete and full acceptance.

List items of work the bidder made available to DBE firms. Identify those items of work the bidder might otherwise perform with its own forces, and those items that haven't been broken down into economically feasible units to facilitate DBE participation. For each item, show the dollar value and percentage of the total contract. It is the bidder's responsibility to demonstrate that sufficient work to meet the goal was made available to DBE firms.

Quote for Caltrans Project# 06-0T6204

From: Mark Bates Estimator
Bid Date: February 17th, 2016

This quote is for striping and related items. This quote contains confidential information and is intended for the addressed person only. PCM requires a 21 day minimum notice prior to mobilization. PCM adheres to the latest Caltrans insurance requirements. This quote is valid for 30 days from the bid date. When accepted this quote is to be incorporated as an exhibit to the contract or a purchase order. This quote excludes liquidated damages of any kind. The Contractor must adhere to Business and Professions Code Section 7108.5 & Public Contract Code 10262.5 and make monthly progress payments to PCM no later than 10 days from the date the Contractor is paid. Retention held on PCM will be released 30 days from PCM's final working day. This quote excludes light towers. The prime contractor is to provide clean-up during stripe, marking and pavement marker removal. This quote includes removal of pavement markers.

Number of Traffic Control Days: 7

Listing for all primes seeking assistance with project 06-OT6204. 4 results found.

Contractor: Telfer Pavement Technologies, LLC **Contact:** Rick Arias

Address: 4522 Parker Avenue Suite 350 McClellan, CA. 95652

Phone: 916-383-1756 **Fax:** 916-383-4084 **Email:** rick.arias@telferpavements.com

Services needed: Telfer Pavement Technologies, LLC is requesting quotes from all qualified subcontractors and suppliers including certified UDBE/DBE firms for the following items of work, including but not limited to; Materials supply/delivery, Trucking, Construction Area Signs, Traffic Control, WPCP, Thermoplastic Striping and Removal, Cold Plane A/C Pavement, RHMA (Bonded Wearing Course). Quotations will be broken down into comparable packages as reasonably necessary. Telfer Pavement Technologies, LLC will work with interested subcontractors to identify opportunities to break down items into economically feasible packages. All Supplier and Subcontractor proposals shall be in strict accordance with said project plans, specifications, and any addenda's issued.

Requirements: Telfer Pavement Technologies, LLC will assist with performance and payment bonds as they may be required for the full amount of subcontract price. Telfer Pavement Technologies, LLC, will pay for bond premium up to 1.5%. Please call if you need assistance in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Subcontractors must possess a current contractor's license, insurance and worker's compensation coverage meeting Telfer Pavement Technologies, LLC requirements and will be required to sign the standard Telfer Pavement Technologies, LLC Subcontract Agreement. A copy of the insurance requirements and agreement can be obtained by contacting the Telfer Pavement Technologies, LLC's office. Endorsements or waivers required are Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Plans and specifications are available for viewing at our office, and or available for viewing on the Caltrans website. Please call if you need any additional assistance. Telfer Pavement Technologies, LLC intends to work cooperatively with all qualified firms seeking to supply materials, services or work on this project Telfer Pavement Technologies, LLC is an equal opportunity employer.

Contractor: Papich Construction Company Inc **Contact:** David Cruce

Address: 29779 Rd 68 Visalia CA 93291

Phone: 805-473-3016 **Fax:** 805-473-2217 **Email:** david@papichconstruction.com

Services needed: We are seeking DBE/ DVBE participation from Subcontractors, Suppliers, and Consultants for the following items of work, but not limited to: Lead Compliance Plan, Construction Area Signs, SWPPP, Striping, Survey, Bonded Wearing Course, Grinding, Rubberized HMA,

Requirements: Requirements: Papich Construction Co Inc (PCI) intends to bid as a Prime for this Caltrans contract. We intend to conduct ourselves in good faith and work cooperatively with all qualified firms seeking work on this project. We are willing to break out items of work into economically feasible packages to facilitate DBE participation from certified firms. 100% performance and payment bonds will be required for the full amount of the subcontract price. We will reimburse for bond premium up to 2%. By submitting a price quote to PCI, subcontractors and suppliers affirm they have carefully examined ALL the bidding / contract documents / addenda and that from his/her own investigation, they have satisfied themselves as to the scope of the work. Please contact us for any assistance you may require for this solicitation, including obtaining bonding, insurance, equipment, materials and/or supplies. We are signatory to Operating Engineers and Laborers Unions. Any non-signatory subcontractors will be required to sign a one time agreement for trades covered under our union agreements. All project documents are available at no cost for download on the Caltrans Office Engineer Website. Project documents may also be viewed in our office by appointment. Subcontractors must possess a current contractor's license, insurance and worker's compensation coverage meeting project requirements and will be required to sign a standard Subcontract Agreement. If you are interested in providing pricing or if you have any questions about this project, or need any assistance from PCI to facilitate your firm's participation on this project, please do not hesitate to contact us. For more information contact David Cruce at 559-565-5040 or by email at dcruce@papichco.com
