GRANITE CONSTRUCTION COMPANY (hereafter "Seller") submits to the purchaser identified below ("Purchaser") this Quote for material as described below ("Material"). This material quote ("MQ") upon transmittal to Purchaser, replaces and terminates any verbal quote or offer that Purchaser may have received from Seller referencing the Project.

1. **DELIVERY:** Delivery shall be F.O.B. Plant. Material shall be delivered or made available in accordance with a schedule mutually agreed upon by the Purchaser and Seller. Any charges at destination for spotting, switching, handling, storage and/or other accessorial services, and demurrage, shall be paid by Purchaser. Plant standby time, job cancellation, damages caused by Purchaser or Purchaser's trucker, added surcharges and force majeure events will be the responsibility of Purchaser. Purchaser will schedule delivery of aggregates and asphalt concrete and trucking with Seller's designated material dispatcher. Should Seller not be responsible for trucking, Purchaser will be responsible to schedule all trucking needs directly with the Purchaser's trucker of choice. Seller will not be responsible for any non-performance of the trucker operating under the direction of Purchaser. Should Purchaser designate a trucker to perform hauling of Materials under this MQ, Purchaser indemnifies and holds Seller harmless for costs or damages incurred due to the acts or omissions of such trucker.

2. **TERMS OF PAYMENT:** Purchaser shall pay Seller at the prices given in the table below. Payment shall be due no more than thirty (30) days from the date of the invoice in the full amount of the invoice without retention of any amounts by Purchaser. Purchaser's failure to pay all amounts owing when due shall be deemed a material breach of this MQ and Seller may, at its option, (i) terminate this MQ; (ii) require payment to be made in advance of future deliveries; or (iii) place future deliveries on a C.O.D. basis. Amounts past due shall bear an interest charge computed from the due date at the lesser of the maximum interest rate allowed by law or at the rate of 1.5% per month. Purchaser agrees to pay all costs and expenses of collecting past due accounts, including actual attorneys' fees, incurred whether or not a suit or action is filed, on appeal or otherwise.

3. **MATERIAL/SPECIFICATION/PRICE:** Pricing does not include Sales Tax.

1715	3/8"HMADIKE64-10	6,440	TN	66.00	PLANT	COALINGA AC

This quote is for material only, pricing does not include freight. Special Conditions: PLEASE SEE SPECIAL CONDITIONS ATTACHMENT

For Asphalt Concrete and Aggregates sold after the price will increase by \$ 0.00 per ton for Aggregates and \$ 0.00 per ton for Asphalt Concrete. Prices effective until QUOTE VALID ONLY IF SIGNED AND RETURNED NO LATER THAN 9/18/2013

4. **STANDBY TIME:** Not Applicable.

5. **PRICE ESCALATION:** Purchaser acknowledges that national and regional supply shortages for the raw material necessary for the production and delivery of the Material may occur and that the prices for oil, liquid propane, gasoline, diesel, natural gas and electricity (collectively "Fuel") as well as liquid asphalt, Portland cement and lime (collectively "Elements") may increase during the term of this MQ. In the event that Seller incurs cost increase(s) in Fuel or Elements such that if the purchase price of any Material to be supplied under this MQ is increased to reflect the same cost increase incurred by Seller for the Fuel and Elements of that Material and would result in an increase in the price of said Material of greater than: (i) 10% for aggregate type Material; (ii) 6% for asphaltic concrete type Material; or (iii) 4% for Portland cement type Material, then Purchaser and Seller shall negotiate to mutually agree upon a revised price for the Material yet to be delivered under this MQ. If the parties cannot agree upon a revised price for such Material, then either Party may, upon two (2) days written notice, terminate this MQ as to any Material not delivered to Purchaser as of the date of termination.
