- Prices include applicable State and Local Sales Tax.
- Prices, as quoted, will remain firm for thirty (30) calendar days, after which time Integrity Rebar Placers reserves the right to revise this quotation.
- Prices / Bid items quoted are not for separate acceptance without prior approval.
- Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after per spec.

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Integrity Rebar Placers may require. **Contractor is to provide a minimum of 896 hours of actual hook time.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Integrity Rebar Placers is to perform its own hoisting, add $_____. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SPECIAL NOTES:

1. Material Bond may be provided at .7%. Payment and performance bond may be provided if available at same rate.
2. CIDH piles tied & stockpiled one piece full length only. Cages will be tied to industry standards for placement of concrete. Additional tying and rack braces for pile setting operation are excluded.
3. Night work is excluded except by additive quote.
4. Special order bars will be required, ample lead time for #14 and #18 bar will be required, subject to mill rolling dates.
5. Optional Add for 60 barriers installed **$154,166.09**

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.

2. Integrity Rebar Placers may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Integrity rebar Placers offer be altered or modified, Integrity Rebar Placers reserves the right to immediately stop performance and Contractor agrees to indemnify Integrity Rebar Placers for all costs and loss of profit.

3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:

   A. Grades and Lines.
   B. Templates.
   C. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
   D. Full access to all working areas for material, equipment and manpower.
   E. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
   F. Adequate lighting as required, sanitary facilities, trash bins, etc.
   G. As required, adequate electrical power and compressed air (90 PSI Min.).

4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Integrity Rebar Placers for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor. Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.

5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Integrity Rebar Placers exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Integrity Rebar Placers has completed its scope of work.

6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.

7. Integrity Rebar Placers shall not be required to continue performance if, after Contractor has received payment for the properly performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.

9. No provision of this Subcontract shall serve to void Integrity Rebar Placers entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.

10. Neither party will have the right of set-off against the other party for any reason.

11. If Integrity Rebar Placers is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work, Extra/CCO shall be net 30 days regardless of being paid by owner.

12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during Integrity Rebar Placers regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Integrity Rebar Placers standard rates for overtime, weekend, or holiday work. Integrity Rebar Placers standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Integrity Rebar Placers be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.

14. Integrity Rebar Placers will indemnify, defend and save harmless Contractor and Contractor's customer from Integrity Rebar Placers proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Integrity Rebar Placers or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Integrity Rebar Placers shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.

15. Integrity Rebar Placers carries the following insurance coverage's.

16. Contractor shall provide Integrity Rebar Placers with copies of all contract documents applicable to Integrity Rebar Placers performance, duties, or obligations at its Headquarters Office.

17. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.

18. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control, including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.

19. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not Subcontractor's responsibility.

20. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.

22. Integrity Rebar Placers shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion off work and shall terminate Integrity Rebar Placers responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.

23. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

24. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.

25. Contractor shall furnish adequate parking for all Integrity Rebar Placers employees at no cost to Integrity Rebar Placers within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Integrity Rebar Placers for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.

26. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.

27. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.

28. Contractor shall furnish adequate working heavy duty OSHA scaffolding / platforms and windscreens as required from which welding, mechanical coupling and placing of reinforcing steel can be safely performed.

29. Contractor shall provide and secure in place all supports in tunnels and shafts, which Integrity Rebar Placers may require for supporting and placing steel.

30. Masonry steel to be F.O.B. trucks jobsite, with Contractor agreeing to accept all responsibility for any shortages and/or replacement costs discovered twenty-four (24) hours subsequent to delivery. Unless shown otherwise on plan drawings, masonry vertical reinforcing is to be furnished in one piece, full height between stories of structure. If four-foot (4' 0") vertical lifts are required, Contractor and/or Contractor's subcontractor to assume all costs for additional splices required. All horizontal reinforcing #5 and smaller will be furnished in stock lengths plus corner bars.

31. Subcontractor shall not be responsible for material replacement cost due to theft and or lost on job, when material are schedule by contractor and not used promptly.

32. Contractor shall furnish layout of dowels, which extend into masonry.

33. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents, may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc.....). Standard Terms & Conditions

1.) Validity of Quote: This price quotation is valid for thirty days from the bid date. If accepted within those thirty days this price remains valid for six months. Global Transloading, LLC requires all subcontracts include these Standard Terms and Conditions.

2.) Type of Trucks: Semi-Tractors with End Dump Trailers shall be utilized for the transportation of the waste material on this project. Each trailer has the capacity of 24 tons.

3.) Material Generation Rate: It is the responsibility of the customer to properly estimate the number of end dump trucks needed to complete the contractor's schedule.

4.) Demurrage: End Dump Trucks are allowed 5 minutes on site loading. Any time in excess of this, due to circumstances not under the control of Global Transloading, LLC (i.e., no one on-site to sign manifests, loader breakdown, etc.) shall be billed at $92.00 per hour rounded to the nearest quarter hour.

5.) Cancelled Trucks: If trucks arrive on-site and are cancelled due to shortage of material, personnel not available to sign manifests, no access to site, etc., or other circumstances not under the control of Global Transloading, LLC, a 4-hour minimum charge shall be assessed at $92.00 per hour rounded to the nearest quarter hour.

6.) Non Conforming Material: Contractor is responsible for any and all costs associated with Non Conforming Material (i.e., RCRA Wastes, Asbestos, etc.) Contractor is responsible to gain waste acceptance into the selected disposal facility.

7.) Disposal: Disposal costs and fee's are included above. Global Transloading, LLC shall provide a California Registered Environmental Assessor to assist in interpreting analytical data and gain waste acceptance. The Contractor is responsible to provide all analytical documentation and any other documentation requested by the landfill. The landfill is a highly regulated facility that may require additional documentation in order to ascertain how waste characterization was performed. Please allow a minimum of 5 days to allow the landfill to process this information and provide waste acceptance once the proper documentation has been received. Failure of the Contractor or Generator to provide the necessary information, thereby causing delays in receiving waste acceptance, shall not be the responsibility of Global Transloading, LLC.

8.) Minimum Charges: All loads have a 22 ton minimum charge per truck. The clean up load or last of the day/project wherein there is not enough material to complete a load, shall be billed at 24 tons.

9.) Loading: Contractor is responsible to load all trucks/trailers. Any damage caused to trucks/trailers by improper loading (i.e., overweight trucks, hitting trailers with loader, etc.) are the responsibility of the Contractor.

10.) Payment Terms: Payment shall be due upon net receipt. All services are invoiced on a weekly basis. Any dollar amount outstanding beyond 30 days from the invoicing date will incur a 1.5% late fee. Global Transloading, LLC reserves the right to cancel all services if payment terms are not met.

11.) Non Compete Agreement: Client agrees to not approach, solicit or negotiate rates directly with any owner operator, where the availability of such services first became known to the client as a result of Global Transloading, LLC efforts. If Client breaches this agreement and back approaches, solicits or negotiates rates with any of the above-mentioned entities, Global Transloading, LLC is then entitled for a period of 15 months after the commencement of the first project, to a commission from the Client of 15% of the revenue received from the project.

12.) Entire Agreement: The entire agreement is contained herein. There are no other promises, representations, or warranties affecting this quotation and any other or different terms or conditions shall be deemed null and void unless agreed to in writing by Global Transloading, LLC and customer.

- Prices include applicable State and Local Sales Tax.
- Prices, as quoted, will remain firm for thirty (30) calendar days, after which time Integrity Rebar Placers reserves the right to revise this quotation.
- Prices / Bid items quoted are not for seperate acceptance without prior approval.
- Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more then forty five (45) days may result in additional cost of materials.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after per spec.

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Integrity Rebar Placers may require. **Contractor is to provide a minimum of 896 hours of actual hook time.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Integrity Rebar Placers is to perform its own hoisting, add $_____. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SPECIAL NOTES:

1. Material Bond may be provided at .7%. Payment and performance bond may be provided if available at same rate.
2. CIDH piles tied & stockpiled one piece full length only. Cages will be tied to industry standards for placement of concrete. Additional tying and rack braces for pile setting operation are excluded.
3. Night work is excluded except by additive quote.
4. Special order bars will be required, ample lead time for #14 and #18 bar will be required, subject to mill rolling dates.
5. Optional Add for 60 barriers installed **$154,166.09**

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.

2. Integrity Rebar Placers may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Integrity rebar Placers offer be altered or modified, Integrity Rebar Placers reserves the right to immediately stop performance and Contractor agrees to indemnify Integrity Rebar Placers for all costs and loss of profit.

3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:

   A. Grades and Lines.
   B. Templates.
   C. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
   D. Full access to all working areas for material, equipment and manpower.
   E. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
   F. Adequate lighting as required, sanitary facilities, trash bins, etc.
   G. As required, adequate electrical power and compressed air (90 PSI Min.).

4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Integrity Rebar Placers for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.

5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Integrity Rebar Placers exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Integrity Rebar Placers has completed its scope of work.

6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.

7. Integrity Rebar Placers shall not be required to continue performance if, after Contractor has received payment for the properly performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.

9. No provision of this Subcontract shall serve to void Integrity Rebar Placers entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.

10. Neither party will have the right of set-off against the other party for any reason.

11. If Integrity Rebar Placers is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work, **Extra/CCO shall be net 30 days regardless of being paid by owner.**

12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during Integrity Rebar Placers regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Integrity Rebar Placers standard rates for overtime, weekend, or holiday work. Integrity Rebar Placers standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Integrity Rebar Placers be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.

14. Integrity Rebar Placers will indemnify, defend and save harmless Contractor and Contractor's customer from Integrity Rebar Placers proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Integrity Rebar Placers or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Integrity Rebar Placers shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.

15. Integrity Rebar Placers carries the following insurance coverage's.

16. Contractor shall provide Integrity Rebar Placers with copies of all contract documents applicable to Integrity Rebar Placers performance, duties, or obligations at its Headquarters Office.

17. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.

18. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control, including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.

19. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not Subcontractor's responsibility.

20. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.

21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.

22. Integrity Rebar Placers shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate Integrity Rebar Placers responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.

23. Cost of ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

24. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.

25. Contractor shall furnish adequate parking for all Integrity Rebar Placers employees at no cost to Integrity Rebar Placers within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Integrity Rebar Placers for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.

26. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.

27. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.

28. Contractor shall furnish adequate working heavy duty OSHA scaffolding / platforms and windscreens as required from which welding, mechanical coupling and placing of reinforcing steel can be safely performed.

29. Contractor shall provide and secure in place all supports in tunnels and shafts, which Integrity Rebar Placers may require for supporting and placing steel.

30. Masonry steel to be F.O.B. trucks jobsite, with Contractor agreeing to accept all responsibility for any shortages and/or replacement costs discovered twenty-four (24) hours subsequent to delivery. Unless shown otherwise on plan drawings, masonry vertical reinforcing is to be furnished in one piece, full height between stories of structure. If four-foot (4' 0") vertical lifts are required, Contractor and/or Contractor's subcontractor to assume all costs for additional splices required. All horizontal reinforcing #5 and smaller will be furnished in stock lengths plus corner bars.

31. Subcontractor shall not be responsible for material replacement cost due to theft and or lost on job, when material are schedule by contractor and not used promptly.

32. Contractor shall furnish layout of dowels, which extend into masonry.

33. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents, may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc.....). Prior to hoisting support being removed, Contractor to inspect, approve compliance with temporary support system plan, and accept work.

Standard Terms & Conditions

..) Validity of Quote: This price quotation is valid for thirty days from the bid date. If accepted within those thirty days this ırice remains valid for six months. Global Transloading, LLC requires all subcontracts include these Standard Terms and Conditions.

2.) Type of Trucks: Semi-Tractors with End Dump Trailers shall be utilized for the transportation of the waste material on his project. Each trailer has the capacity of 24 tons.

3.) Material Generation Rate: It is the responsibility of the customer to properly estimate the number of end dump trucks ıeeded to complete the contractor's schedule.

4.) Demurrage: End Dump Trucks are allowed 5 minutes on site loading. Any time in excess of this, due to circumstances not under the control of Global Transloading, LLC (i.e., no one on-site to sign manifests, loader breakdown, etc.) shall be billed at $92.00 per hour rounded to the nearest quarter hour.

5.) Cancelled Trucks: If trucks arrive on-site and are cancelled due to shortage of material, personnel not available to sign manifests, no access to site, etc., or other circumstances not under the control of Global Transloading, LLC, a 4-hour minimum charge shall be assessed at $92.00 per hour rounded to the nearest quarter hour.

6.) Non Conforming Material: Contractor is responsible for any and all costs associated with Non Conforming Material (i.e., RCRA Wastes, Asbestos, etc.) Contractor is responsible to gain waste acceptance into the selected disposal facility.

7.) Disposal: Disposal costs and fee's are included above. Global Transloading, LLC shall provide a California Registered Environmental Assessor to assist in interpreting analytical data and gain waste acceptance. The Contractor is responsible to provide all analytical documentation and any other documentation requested by the landfill. The landfill is a highly regulated facility that may require additional documentation in order to ascertain how waste characterization was performed. Please allow a minimum of 5 days to allow the landfill to process this information and provide waste acceptance once the proper documentation has been received. Failure of the Contractor or Generator to provide the necessary information, thereby causing delays in receiving waste acceptance, shall not be the responsibility of Global Transloading, LLC.

8.) Minimum Charges: All loads have a 22 ton minimum charge per truck. The clean up load or last of the day/project wherein there is not enough material to complete a load, shall be billed at 24 tons.

9.) Loading: Contractor is responsible to load all trucks/trailers. Any damage caused to trucks/trailers by improper loading (i.e., overweight trucks, hitting trailers with loader, etc.) are the responsibility of the Contractor.

10.) Payment Terms: Payment shall be due upon net receipt. All services are invoiced on a weekly basis. Any dollar amount outstanding beyond 30 days from the invoicing date will incur a 1.5% late fee. Global Transloading, LLC reserves the right to cancel all services if payment terms are not met.

11.) Non Compete Agreement: Client agrees to not approach, solicit or negotiate rates directly with any owner operator, where the availability of such services first became known to the client as a result of Global Transloading, LLC efforts. If Client breaches this agreement and back approaches, solicits or negotiates rates with any of the above-mentioned entities, Global Transloading, LLC is then entitled for a period of 15 months after the commencement of the first project, to a commission from the Client of 15% of the revenue received from the project.

12.) Entire Agreement: The entire agreement is contained herein. There are no other promises, representations, or warranties affecting this quotation and any other or different terms or conditions shall be deemed null and void unless agreed to in writing by Global Transloading, LLC and customer.

TERMS AND CONDITIONS

PAYMENT

1. Prices quoted herein do not provide for retention. If the Contractor elects to withhold retention, the above line item "Cost of Retention" shall be extended and included in the cost of the work to be performed. Withheld retention and the "Cost of Retention" shall be due and payable within 60 days of Penhall Company's physical completion of work, as pertains to this subcontract. At no time shall the percentage of retention withheld from Penhall exceed the percentage withheld from the Contractor.
2. Nothing in resulting subcontract shall require the Subcontractor to continue performance if timely payments are not made to Subcontractor for suitably performed work.
3. No provisions of resulting subcontract shall serve to void the Subcontractor's entitlement to payment for properly performed work.
4. Late payments will be subject to all collection costs plus interest at 1.5% per month or the maximum allowed by law, whichever is greater.

INDEMNIFICATION/LIABILITY

5. Nothing in resulting subcontract shall require Penhall Company to indemnify any other party from any damages (including any expenses, attorney's fees, etc.) to persons or property for any amount exceeding the degree Subcontractor directly caused such damages.
6. Nothing in resulting subcontract shall require Penhall Company to be liable for consequential and/or indirect damages.

The contract work may be substantially complete even if there is punch list or warranty work that remains to be completed. The contract work may be substantially complete even if the work of other trades or contractors is required before the work can be used for its intended purpose. Should the owner reduce the amount of retention on progress payments to the Contractor, the same percentage retention reduction shall apply to payments to the subcontractor. Payments not made monthly shall incur carrying charges (interest) at the rate of 10% APR until paid.

Cost of furnishing additional insurance above our basic policy covering $1,000,000 per occurrence for bodily injury and property damages, any riders, attachments or endorsements required by contractor or buyer, which changes the cost of any insurance policy carried by SAMROD Corporation, said cost shall be borne by the buyer. Contractor recognizes that OCIP costs and Waiver of Subrogation costs are not included in our Scope of Work outlined above, and any such costs must be approved as change orders and paid upon commencement of our work.

Any additional work or changes to the contract must have a signed change order processed before that work can be accomplished. If the change order work is field directed, said change order work is deemed authorized and billable to the Contractor by Samrod Corporation when work is performed. Any change order billed shall be paid according to the same provisions as previously outlined above.

TOTAL CUT ..... $ 182,674.80
(CUT OF $.70 PER SQ. FT. - ITEM #183)

Project Estimator:

We propose to furnish all materials, labor and equipment, except as excluded below, necessary to construct both the CMU portion of the soundwalls (No. 183) and the CMU, stone veneer and concrete precast portions of the work for the Civic Center signs (No. 302) in accordance with the project plans, specifications and Addendum Nos. 1 through 5 for the following **Unit Prices**:

Item	Description	Est. Qty.	Unit Price	Extension
183	Sound Wall (Masonry Block)	260,964 S.F.	$ 13.30	$3,470,821.20
302	West Covina Civic Center Sign (Portion)	2 EA.	$ 22,980.00	$ 45,960.00

General Conditions & Exclusions:

1. **Quality Control & Assurance, Masonry Preconstruction Testing and Field Quality Control, as detailed in Section 10-1.64 "Sound Wall" of the Special Provisions, will be provided and paid for by others. Others will be perform all tests, special inspections and prepare all required tests and inspection reports and their compensation is not included in our quoted Unit Prices.**
2. All CMU drop-in rebar will be furnished, delivered and unloaded by others. It will be provided in lengths that accommodate our grout lifts and not necessarily the minimum splice lengths.
3. Access from streets and public facilities will be made available for the sound wall work. A reasonably accessible water source will be made available. Catwalks at structures will be provided by others.
4. Others will provide traffic control, including flagging, ramp and lane closures, and the furnishing of K-rail. Our bid price is based building the walls during full daylight hours. If night work is required for the furnishing of materials and equipment, others will provide **Reycon** with three light towers.
5. Others will furnish and set all embedded items in the masonry work including the West Covina Civic Center sign panels, sound wall gap enclosures, access gates, sign/electrolier cover plates, anchorages and ladders.
6. ***Others will furnish and install concrete pile caps, barriers, retaining walls and concrete footings. Others will also provide the architectural texture and structural concrete for Sound Wall No. 1770.***
7. Protective anti-graffiti coatings, if required, will be provided by others. Efflorescence and graffiti removal by either chemical means, sandblasting and/or waterblasting will be provided by others.
8. Dowels in concrete, set by others, will comply with and match the modular requirements of the masonry units.
9. Demolition, removal of existing wood or masonry fences, trees, brick walls and other obstructions, grading, backfill, compaction and finish grading will be provided by others.
10. Block debris and mortar droppings will be stockpiled on the jobsite and removed by others.
11. We exclude all costs for concrete footings and CMU walls at tie-in locations (property wall at soundwall).
12. Shop drawings, if required, will be provided by others.

We are union contractors and we can bond our work but we exclude the cost of bonds in our unit price. Our bond rate would be approximately 0.8 of 1%. Please call if you have any questions. Thanks,

Find A Certified DBE Firm

The Disadvantaged Business Enterprise (DBE) Database contains information on certified DBE firms and is updated daily. To ensure that the database has the most current DBE's contact information regard your firm, please email the Office of Business and Economic Opportunity, Certification Office at DBE.Certification@dot.ca.gov.

Use the following database query form to find certified DBE firms for solicitation to meet DBE goal and contracting requirements. The entire Unified Certification Program (UCP) Database can be download by selecting the "Start Search – Export Options" button on the query form. The export feature allows you to download data in Excel, XML, PDF and CSV formats.

Important note regarding Commercially Useful Function (CUF): Per DBE regulation 49 CFR 26.73 et seq, consideration of whether a firm performs CUF is NOT reviewed when making decision to certify firms as DBEs. Certification is based primarily on the disadvantaged owner proving that he/she can own and control a firm engaged in the primary activity it is being certified for. It is therefore imperative that prime contractors complete their own due diligence regarding CUF before committing and hiring firms listed on this directory. For details, review the regulation here: http://bit.ly/Myih1u

NOTE: Please note that the California UCP (including Caltrans) will stop issuing DBE Certificates as evidence of certification from August 1, 2013. A copy of a printout from the DBE Database should be sufficient proof of a firm's certification. Prime contractors should not impose on DBE firms to include a certificate in their bid packages – it is not required. If you have any questions or need further verification regarding a DBE firm, please call our office (916) 324-1700, or the DBE's certifying agency.

- Click here to Access the DBE Query Form (Export options: CSV | Excel | XML | PDF)

- DBE Query Form Instructions / Tutorial
- Click here to Access the Work Code Template
  You may need to upgrade your Browser to view/download this

The Work Codes supplement NAICS Codes that are used by the UCP during DBE certification process. It is classification scheme of equivalent detail and specificity, describing work a DBE firm states it can perform, whether on initial certification or when a new type of work is added to an existing certification.

These codes provide a general overview of the process used to determine code assignment, which in part includes taking into consideration the description of work and the licenses which may be necessary to prove control of the business.

The template is not an all encompassing list of work DBE firms perform and should be used as a guide only. Certified DBE firms can always request their certifying agency (any time) to review their business activities and add or remove codes as and when necessary.

Should you have suggestions or concerns regarding the work code template, please send those to us at DBE_Certification@dot.ca.gov.

  This database extract contains firm records sorted by Certifying Agency, NAICS Codes, Work Codes, etc. Should you need assistance in downloading these records, please call or email Office of Business & Economic Opportunity Certification Office.

The North American Industry Classification System (NAICS) Code:

The NAICS Code is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy. Use the U.S. Census Bureau NAICS Search page to determine the NAICS Code.

CONTRACT NO. 07-1170U4
POST MILE : 07-LA-10-33.2/37.2
BID DATE / TIME: DECEMBER 12, 2013 AT 2:00 PM

Chumo Construction, Inc. is bidding the above project as a General Contractor. We invite your participation by submitting a quotation to us.

Please send your quotes to the Estimating Department by FAX to 626-960-3887.

Plans and specifications are available for viewing (by appointment only) at our office located at 14425 Joanbridge Street, Baldwin Park, CA or on the Caltrans web site.

Chumo Construction, Inc. requests prices for all items of work on this project. We require the subcontractors and suppliers price quotes be provided at a reasonable time prior to the bid deadline to enable a complete evaluation. All UDBE/DBE firms must be certified by Caltrans and/or appropriate agency prior to the end of the bid evaluation period. A copy of your UDBE/DBE certificate must accompany your quote. The "BID ITEM LIST" is attached for your use. Please return the Bid Solicitation Response with your intention to bid or not to bid.

Chumo Construction, Inc. (Chumo) is signatory to Operating Engineers, Laborers, Cement Masons and Carpenters unions. 100% performance and payment bonds may be required for the full amount of subcontract price. Chumo will pay for bond premium up to 1.5%. Subcontractors must possess a current contractor's license, insurance and workers compensation coverage meeting Chumo's requirements and/or the owner's requirements and will be required to sign the standard AGC Subcontract Agreement. A copy of the insurance requirements and agreement can be obtained by contacting the estimator. Chumo intends to work cooperatively with all qualified firms seeking work on this project. Chumo is an equal opportunity employer.
