**RE: Disadvantaged Business Enterprise Certification**

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
488510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP website at [www.californiaucp.org](http://www.californiaucp.org). Any additions and revisions must be submitted to Metro for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you) with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. I wish you every business success and should you have any questions, please contact us at **213-922-2600**. For information on Metro contracting opportunities, please visit our website at [www.metro.net](http://www.metro.net).

**Re: Small Business Enterprise Certification**

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under the Metro SBE Program. Your firm will be listed in the Metro SBE database of certified SBEs under the following specific areas of expertise:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
488510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Should any changes occur that could affect your certification status, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. SBE certification is subject to review at any time.

Metro reserves the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading, or incorrect information. Metro also reserves the right to request additional information and/or conduct on-site visits at any time during the certification period. The firm thereby consents to the examination of its books, records, and documents by the Metro.

Congratulations, and thank you for your interest in Metro's SBE Program. I wish you every business success and should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

**RE: Disadvantaged Business Enterprise Certification**

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
489510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP website at [www.californiaucp.org](http://www.californiaucp.org). Any additions and revisions must be submitted to Metro for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you) with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. I wish you every business success and should you have any questions, please contact us at [213-922-2600](tel:213-922-2600). **Re: Small Business Enterprise Certification**

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under the Metro SBE Program. Your firm will be listed in the Metro SBE database of certified SBEs under the following specific areas of expertise:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
488510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Should any changes occur that could affect your certification status, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. SBE certification is subject to review at any time.

Metro reserves the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading, or incorrect information.
