Dear Mr. McMillan,

This letter serves as Future DB International Inc.'s (Future DB) response to Marina Landscape Inc.'s (Marina) bid protest that Bisher Aljazzar is not authorized to sign on behalf of Future DB and that he is not an Officer of Future DB.

Bisher Aljazzar is President and Owner of Future DB as of March 1, 2013. This information was updated to the California Secretary of State on July 24, 2013 as indicated by the attached Confirmation of Receipt of Document/Receipt of Payment from the State of California Secretary of State. This information was sent to the Contractors State License Board on July 30, 2013. The sheet attached to Marina's protest is in error.

I am the only authorized signer for Future DB.

Thank you,

Future DB International Inc.

A handwritten signature in black ink, appearing to read "Bisher Aljazzar", is written over a white background.

Bisher Aljazzar
President

If you are representing a business, we want you to be aware of a deceptive solicitation sent to many companies implying they have to go through a private, third party vendor - and pay an exorbitant fee - in order to file official documents with our office.

These solicitations are asking for fees of up to \$495 to file various documents with our office - documents that, in most cases, have a filing fee of \$25 for Statements of Information at most and \$0 for termination documents.
