Re: Project No. 07-274804, 07-LA-18-0.2, B.O. 10/30/2014
In response to DBE Commitment and Bid Protest

Dear Mr. McMillan,

This letter is in response to your letter dated November 20, 2014, in regards to supplemental submittal of DBE Commitment package.

D'Ybanag Construction Company(DYCC) submitted the DBE Commitment on October 30, 2014 with our Electronic Bid Proposal. DYCC met its DBE Goal of 18%(5% is required). As we are new to the electronic bidding process, we honestly intended not to swamp the Office Engineer of duplicated paperwork, unless specifically requested by the agency. The summary of our DBE Commitment with the DBE Subcontract proposals are hereby attached.

The Public Contract Code always provide the Award of Contract to the Lowest Responsible Bidder. Minor mis-interpretation by the Bidder to the Special Provisions are considered "minor irregularity" in the bidding process. We are willing to comply whatever it takes to complete your administrative process. DYCC request your leniency so we will be able to comply with the State and Federal Requirements of this Contract.

We also would like to address the issue of SSPC-QP Certified Subcontractor raised by MCM Construction. DYCC planned to do the majority of the work on Item 42, Column Casing. RBJ Steel Fabricating is supplying the material to us (see the attached Quotation, with Techno West, Inc as the Shop Application of Protective

Coatings, SSPC-QP 3). Public Contract Code again provides that unless otherwise a Bid Item is listed to be done by a Subcontractor, the Prime Contractor has to do the work with its own forces. Our Staff and Field Personnel have 100-Year combined knowledge and experience to do the work, and we are committed to work with the Department of Transportation to complete this successful project.

DYCC's bid is lower by \$195,402.00 from the protesting bidder-MCM Construction and lower by \$116,446.00 from the Engineer's Estimate. It is in the best interest of the Awarding Agency, being the Trustee of State and Federal Funds to award the contract to the legitimate Low Bidder D'Ybanag Construction Company and its listed Subcontractors.

Should you need more information and time for us to comply with the needed evaluation and completion of administrative requirements, please extend the award period as deem necessary.

Sincerely,

Lucio S Collado, Chief Operations Officer
D'YBANAG CONSTRUCTION COMPANY
