|              |                                                                                                       |                       |                                                                                                                                                                            |                                |

IMPORTANT: Identify all DBE firms being claimed for credit, regardless of tier. Names of the First Tier DBE Subcontractors and their respective item(s) of work listed above must be consistent, where applicable, with the names and items of work in the "Subcontractor List" submitted with your bid. Copies of the DBE quotes are required.

- DBE prime contractors must enter their certification number and indicate at work to be performed by DBEs including work performed by its own forces.
- If 100% of item is not to be performed or furnished by DBE, describe exact portion of item to be performed or furnished.
- See section 2-1.12 of the specifications to determine the credit allowed for DBE firms.

ADA Notice For individuals with sensory disabilities, this document is available in alternate formats. For information call (916) 664-6410 or TDD (916) 664-3880 or write Records and Forms Management, 1120 N Street, MS-89, Sacramento, CA 95814.

2. List the names of certified DBEs and the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, telephone records, fax confirmations, etc.

| Name of DBEs Solicited | Date of Initial Solicitation | Item(s) of Work | Follow Up Methods and Dates |
|------------------------|------------------------------|-----------------|-----------------------------|
| PLEASE SEE ATTACHED    |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |
|                        |                              |                 |                             |

3. For each item of work made available, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE.

| Item(s) of Work     | Name of Selected Firm | DBE or non-DBE | Name of Rejected Firm | Quote (\$) | Price Difference (\$) |
|---------------------|-----------------------|----------------|-----------------------|------------|-----------------------|
| PLEASE SEE ATTACHED |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |
|                     |                       |                |                       |            |                       |

If the firm selected for the item is not a DBE, provide the reasons for the selection on a separate sheet and attach names, addresses, and phone numbers for the firms listed above.

4. List the names and dates of each publication in which a request for DBE participation for this project was placed by the bidder. Attach copies of published advertisements or proofs of publication:

| Publications        | Dates of Advertisement |
|---------------------|------------------------|
| PLEASE SEE ATTACHED |                        |
|                     |                        |
|                     |                        |
|                     |                        |

5. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

| Name of Agency     | Date of Contact | Method of Contact    | Results      |
|--------------------|-----------------|----------------------|--------------|
| DBE GOODFAITH INC. | 7/15/2013       | WWW.DBEGOODFAITH.NET | SEE ATTACHED |
|                    |                 |                      |              |
|                    |                 |                      |              |
|                    |                 |                      |              |

6. List efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE assisted, the information provided, and the date of contact. Provide copies of supporting documents.

PLEASE SEE ATTACHED

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

NONE

8. Include additional data to support a demonstration of good faith efforts.

CONTACTED DBE ON BLUE BOOK OF CONSTRUCTION.COM.

NOTE: USE ADDITIONAL SHEETS OF PAPER IF NECESSARY.
