## THIS QUOTE INCLUDES PRE-CON'S TERMS AND CONDITIONS.

## PRE-CON PRODUCTS TERMS AND CONDITIONS

1. **Purchase Price.** The Purchase Price specified on the face of this invoice is and shall be considered a lump sum price for the sale and/or installation of the Products based upon the aggregate prices of the items and material components of the Purchase Price including installation charges, if any, as have been separately stated.
2. **Payment.** Payment in full of the Purchase Price, including transportation costs, shall be due thirty (30) days after delivery. Interest at the rate of eighteen percent (18%) per annum shall accrue on the unpaid balance, and on any other charges or expenses payable by Buyer, from the due date until paid in full. Seller reserves the right to forthwith cease all further deliveries if timely payment in full has not been received.
3. **Price Changes.** The Purchase Price is binding on the Seller only for the period indicated, and prices are subject to change without notice. The possession of price sheets or catalogs by any person should not be construed as a binding offer to sell by Seller. Price changes made by Seller shall apply to all materials covered by this contract and delivered after said period, provided that delivery is not delayed due to any fault of the Seller.
4. **Delivery.** Seller will deliver the Products to the job site, and if requested in writing by Buyer, Seller shall install, attach and affix the Products to the final location using Seller's trucks, trailers and personnel. The unloading, placement and installation of the Products shall be the sole responsibility of Seller based upon the reasonable directions and requirements of Buyer, unless otherwise agreed in writing. Buyer shall provide and maintain suitable access roads to the delivery site and protect utilities and adjacent structures.
5. **Installation.** In the event Seller is required to install the Products pursuant to Buyer's request, Seller shall further furnish all tools, equipment, labor, materials, structures and accessories which may be required or necessary to properly install and affix to the job site all of the Products. Seller makes no representations or warranties, nor assumes any responsibility regarding the proper location, alignment, depth, size, bedding, supports, physical requirements, base, backfill, compaction or any other condition affecting the placement or installation of the Products specified by Buyer, which responsibilities are exclusively borne by Buyer. Seller assumes no responsibility for water infiltration into any Product placed into any excavation.
6. **Competency.** Seller shall be deemed a construction contractor for all purposes if Seller is required in writing and affix the Products according to the plans and specifications of Buyer, Buyer's payment of the Purchase Price shall not be reduced or subject to any offset, retention, back-charge or other claims by reason of any term or condition not contained herein.
7. **Title.** Seller shall retain title to all Products until the full Purchase Price has been paid and, if Seller is responsible for the installation of the Products, until the Products have been accepted, incorporated in and affixed to their final position by Buyer.
8. **Sales Tax.** The Purchase Price of the Products is based upon the assumption that Seller shall install and affix the Products, provided that in the event Buyer does not elect to contract with Seller to install the Products, then Buyer shall be further liable and responsible for the payment of all sales or use tax computed on the gross Purchase Price of the Products.
9. **Warranties.** Seller only warrants that the Products shall conform to the specification thereof and shall be free from defects in labor and materials for a period of one (1) year from date of delivery. If the Products should be found to be defective then upon written notice and after the return of the Product at Buyer's expense to Seller's business premises, Seller shall replace the Product with a duplicate Product free from defect without charge, but without further expense to Seller. SELLER MAKES NO OTHER WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, AND SELLER HEREBY EXPRESSLY DISCLAIMS ALL OTHER IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, EXCEPT FOR THE REPLACEMENT OF ANY DEFECTIVE PRODUCTS AS SET FORTH ABOVE. SELLER SHALL NOT BE LIABLE OR RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, COSTS, EXPENSES OR LOSSES SUFFERED BY BUYER, INCLUDING ANY CLAIMED OR ALLEGED DELAY DAMAGES, RESULTING FROM OR CAUSED BY DEFECTIVE PRODUCTS SUPPLIED BY SELLER. Products sold by Seller, but not manufactured by it, are warranted only to the extent such Products are warranted to Seller by the supplier.
10. **Inspections.** Buyer shall inspect the Products for any broken, chipped or other visible defects or deficiency prior to unloading the same and Seller shall have no liability for any such deficiencies unless Buyer provides written notice to Seller on the shipping/delivery document evidencing Buyer's receipt of the same. All other inspections of the Products shall be made by Buyer within five (5) days from Buyer's delivery of the products to the job site, at Buyer's sole cost and expense, for correct size, symmetry, depth and quality conformance with allowable tolerances and variations consistent with usual trade practices. Unless written notice of rejection is timely received by Seller, it is conclusively deemed that the Products meet with the Buyer's purchase requirements and are complete in accordance with the description of the Product.
11. **Returns.** Products shall not be returned by the Buyer without prior written acceptance by the Seller. The amount of credit to be given, if any, shall be determined by the Seller after inspection of the Products upon return to Seller's business premises.
12. **Quantity.** When the Buyer requests a reduction in total quantity of the Products ordered of more than ten percent (10%) for any category of Products listed, Seller may at its option increase the unit price of the Products a reasonable amount to offset the reduction in quantity.
13. **Scheduling.** Seller's delivery of the Products is based on its present estimate of the time required to ship after receipt of Buyer's order. ACCEPTANCE BY BUYER OF ANY PRODUCTS WITHOUT WRITTEN OBJECTION SHALL CONSTITUTE A WAIVER BY BUYER OF ANY CLAIM FOR ACTUAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ON ACCOUNT OF ANY DELAY IN DELIVERY OF SUCH PRODUCTS.
14. **Ordering Odd Lengths.** The Purchase Price is based upon furnishing not over two percent (2%) of total Products sold having standard four-foot lengths, unless otherwise agreed in writing on the reverse hereof. An additional charge will be made for any excess in such percentage. All pipe and Products will be billed at nominal lengths (4' or 8') and no allowance shall be chargeable for storage due to ballooning.
15. **Default.** Upon any default by Buyer under this contract, Seller, at its option, may cancel the unfulfilled portion of this contract, and the full Purchase Price for all Products manufactured by Seller for Buyer under this contract, whether or not delivered to the job site, shall, at Seller's sole option, become immediately due and payable, the exercise by Seller of any of its rights under this contract shall not bar Seller from exercising any other rights or remedies under the applicable laws against the property where the Products are placed or installed. In the event of default in payment, or any other breach, Seller may retain possession of the Products wherever they may be found, and may resell the same without notice to Buyer, applying the amount so received to the balance due. Seller may otherwise exercise all rights and remedies available to Seller in accordance with California law.
16. **Buyer Contract.** This contract is subject to acceptance only on the terms and conditions stated in this offer. This contract shall not be subject to modification except by an agreement in writing signed by both parties. Any additional or different terms and conditions proposed by Buyer, either before or after this offer, are hereby rejected.
17. **Force Majeure.** The Seller shall not be liable for delays or other failure to perform because of any delays in manufacture or delivery due to unforeseeable causes beyond the control and without the fault or negligence of the Seller, including, but not restricted to, acts of God or of the public enemy, acts of the Government in either its sovereign or commercial capacity, fires, floods, epidemics, quarantine regulations, strikes, excessive traffic, major equipment or transportation failures, delays or defaults of third parties, freight embargoes, unusually severe weather or delays of subcontractors or suppliers due to any causes and non availability of materials. All claims for delay in delivery of the Products shall be deemed waived unless presented in writing contemporaneously with acceptance of the Products. Delays in delivery, for whatever reason, shall not be cause of cancellation of this contract by Buyer. The parties hereto acknowledge that the amount of damages suffered or incurred by Buyer as a result of any delay in the delivery of Products which is caused by Seller's neglect or default shall be incapable of accurate measurement and that the parties hereby agree that Seller shall solely be liable to Buyer in such event in an amount equal to Fifty Dollars (\$50) per day of delay which amount shall constitute the sole and exclusive measurement of damages suffered by Buyer due to any such delay damages.
18. **Old Jobs.** On old jobs, this contract shall be binding on the parties only (a) for deliveries within sixty (60) days from the date on the contract and (b) if Buyer is awarded either from a general or subcontract embracing the use of the Products.
19. **Taxes Not Included.** The Purchase Price is exclusive of all state or local sales or use taxes and all other taxes of any governmental or public agency, applicable to this order unless specifically included.
20. **Indemnification.** Buyer expressly agrees to indemnify, defend and hold Seller harmless from and against all claims, demands, losses, expenses, costs, including reasonable attorney's fees, liabilities, suits or judgments of any kind or nature, arising out of, in connection with, or resulting from death or injury to persons and loss, damage or injury to property, caused or due directly or indirectly to the sale, delivery, installation, storage or use of the Products being provided to Buyer. Buyer further agrees to erect sufficient protective and warning devices at the time the Products are placed on the job site.
21. **No Assignment.** Buyer shall not assign this contract or any interest therein, without Seller's prior written consent.
22. **Risk of Loss.** Risk of damage or loss of the Products shall pass to the Buyer upon the transfer of title. Thereafter, Buyer shall be responsible for compliance of all governmental regulations and ordinances with regard to storage or placement of the Products.
23. **Attorney Fees.** In the event of any litigation, action or proceeding commenced in connection with this contract, the prevailing party therein shall be entitled to recover its reasonable attorney's fee and court costs.
24. **Storage.** In the event Buyer does not accept delivery of the Products in accordance with the delivery schedule agreed upon between the Seller and Buyer, Seller will store the undelivered Products on the business premises for a period of thirty (30) calendar days beyond the scheduled delivery date; provided that Seller will charge Buyer an amount equal to one and one-half percent (1 1/2%) for each month, or any portion thereof, of the Purchase Price for the undelivered Products from the scheduled delivery date, payable monthly, and continuing until delivery of the Products or the termination of this contract whichever shall last occur. Seller shall have the right to cancel this contract, retain any deposits or prepayment, and recover the remaining balance of the full Purchase Price of any undelivered Products, plus interest thereon at the rate of one and one-half percent (1 1/2%) per month until paid in full, if Buyer shall not accept delivery, for any reason whatsoever, within ninety (90) days from the scheduled delivery date.
25. **Disclaimer of Plans.** Buyer hereby acknowledges that in the event the Seller has provided any layouts, schematics, drawings or other plans to Buyer in connection with the placement, location or installation of the Products, any such plans were prepared solely for the benefit of Seller and Seller hereby disclaims, and shall expressly not be liable or responsible for, any loss, damage, expense or other injury suffered by Buyer, or claimed to be suffered or incurred by Buyer, with respect to or arising out of Buyer's use of such plans. Buyer shall solely be responsible for determining the numbers, lengths, configurations, layout installations, dimensions and all other design parameters affecting the installation of the Products provided by Seller.

PROJECT	LOCATION	BID DATE	BID NUMBER
Cal Trans 07-281504	Construct Storm Water Treatment Systems	11/2/16	07-281504
In Los Angeles and Ventura Counties at Various Locations			

Description	Type of Truck	Rate	Unit
Line Item: 30 End Dump Transportation and Disposal of Type Z2 Non RCRA Aerially Impacted Soil – Disposal at Class I Landfill in California	End Dump	\$87.00	Per Ton*
Line Item: 31 End Dump Transportation and Disposal of Type Z3 RCRA Lead Impacted Soil – Disposal at Class I Landfill in California	End Dump	\$179.50	Per Ton*

\*There is a 22 ton minimum charge per truckload.

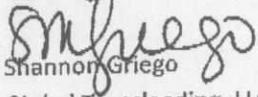

## Standard Terms and Conditions

- Validity of Quote:** This estimate is valid for 90 (days) from the date of this price quotation. These rates have been established specifically for this project and do not apply to other projects. All material must be hauled out within six months from the date of this price quotation. Rates are subject to increase/decrease after the allotted time expires.
- Trucks:** This price quotation is for End Dump Trucks.
- Demurrage:** For materials transported on a per ton rate – all trucks are allowed one (1) hour on-site loading. Any time in excess of one hour (1) on-site, due to circumstances not under control of Global Transloading LLC, shall be billed at the \$98.00 per hour, rounded to the nearest quarter hour.
- Cancelled Trucks:** If trucks arrive on site and are cancelled due to shortage of material, inoperable loading equipment or any other circumstances, not under direct control of Global Transloading LLC, contractor will be billed a 4-hour minimum charge per truck at the applicable rate.

- 5.) **Loading:** It is the responsibility of the contractor/generator to provide all loading. All costs associated with improper loading (i.e., damage to trucks, overweight trucks, etc ) are responsibility of the contractor
- 6.) **Material Generation Rate:** It is the responsibility of the contractor to properly estimate the amount of loads and/or rate of generation prior to trucks arriving on site.
- 7.) **Clean Up Load:** There is a 24 ton minimum charge on the cleanup load. This is the last load of the project or day wherein there is not enough material to complete the load.
- 8.) **Disposal/Analytical:** It is the responsibility of the contractor to provide all necessary analytical required for waste classification and disposal purposes. (i.e., TTLC, STLC, TCLP, Geotechnical, etc.). Contractor must provide Global Transloading, LLC a one quart sample at profiling time in order to be submitted with sample.
- 9.) **Non Conforming Waste:** Any and all costs associated with non-conforming waste (i.e. Asbestos and RCRA, etc.) will be the responsibility of the contractor.
- 10.) **Shipping Documents:** Global Transloading, LLC shall provide preprinted Uniform Hazardous Waste Manifests to be used as the shipping document for this project.
- 11.) **Truck Boss:** Global Transloading, LLC shall provide a Truck Boss when five (5) or more trucks are dispatched to the same job site. This Truck Boss will act as a liaison between the Contractor and the Truck Drivers to ensure that all trucks arrive and are staged in an orderly way, adhere to site Health & Safety Requirements, log truck count, etc.
- 12.) **Clean Up Load:** There is a 24 ton minimum charge for the last load of the day/project wherein there is not enough material to complete the load.
- 13.) **Administration:** Global Transloading shall provide Certified Payroll for this project.
- 14.) **Indemnity:** Upon award of contract, Global Transloading LLC will indemnify contractor and contractor's client due to negligence on behalf of Global Transloading LLC. Additionally Global Transloading LLC will insure that both Contractor and Contractor's Client are listed on the insurance policy as additionally insured.
- 15.) **Indemnification:** Customer agrees to indemnify, save and hold harmless, Global Transloading LLC, its affiliated companies, and their officers and employees against all losses, liabilities, damages, injuries, claims and demands, in connection with trucking, materials and disposal services which is the subject of the agreement.
- 16.) **Payment Terms:** Payment for all services shall be due NET 60 from date of invoice. If payment terms are not met, we reserve the right to cancel all services. All invoices not paid within 30 days are subject to a 2.5% finance fee per month.
- 17.) **Relevant Law:** This quotation/agreement shall be governed and performed in accordance with the laws of the State of California. All disputes will be tried in Los Angeles County, California.
- 18.) **Non Compete Agreement:** Client agrees not to approach, solicit or negotiate rates directly with any owner operator, receiving facility, recycling facility, and/or disposal facility where the availability of such services first became known to the client as a result of Global Transloading LLC efforts. If client breaches this agreement and back approaches, solicits, or negotiates rates with any of the above-mentioned entities, Global Transloading LLC is entitled for a period of 15 months after the commencement of the project, to a commission from the client of 20% of the revenue received from the project.
- 19.) **Attorneys Fees and Costs:** Customer shall pay to Global Transloading, LLC all costs and expenses, without limitation, reasonable attorneys fees incurred by Global Transloading, LLC in enforcing any of the covenants and provisions of this agreement or incurred in any such action brought by Global Transloading, LLC against customer on any account of the provisions hereof.
- 20.) **Entire Agreement:** The entire agreement/ estimate is contained herein. There are no other promises, representations, or warranties affecting this quotation. Any other terms and conditions shall be deemed null and void unless agreed to in writing by Global Transloading LLC and Customer/contractor.

Thank you again for your consideration. Should you have further questions please do not hesitate to contact me at (562) 495-9600.

Best Regards,

  
Shannon Griego

TO:

ATTN: ESTIMATING

PROJECT NAME: 07-281504 RT-101

PROJECT LOCATION: VENTURA, CA

Ken R. Negrete, DBA Integrity Rebar Placers is pleased to submit the following offer/agreement for the above referenced project, subject to the terms and conditions specified herein. Performance of this Bid/Offer shall be governed by and in compliance with the **Concrete Reinforcing Steel Institute Manual of Standard Practices**. This offer represents the full scope and intent on the part of Integrity Rebar Placers to provide services and materials to Contractor.

This bid is submitted subject to and expressly conditioned upon all of the terms and conditions set forth below.

**SCOPE OF WORK / PRICE**

BID ITEM	DESCRIPTION	QUANTITY	UNIT PRICE	TOTALS
56 F	BAR REINFORCING STEEL	486,019 LB	.8390	\$407,748.97
82 F	STRUCT CONC. HEADWALL	999 LF	27.0710	\$27,043.97
<b>EXCLUDES ALL OTHER BID ITEMS NOT LISTED</b>				
<b>TOTAL</b>				<b>\$434,792.95</b>

- Prices include applicable State and Local Sales Tax.
- Prices, as quoted, will remain firm for one hundred and twenty six days(126) calendar days, after which time Integrity Rebar Placers reserves the right to revise this quotation.
- Prices / Bid items quoted are not for separate acceptance without prior approval.
- Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after \_\_\_\_\_.

**HOISTING/LOWERING:**

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Integrity Rebar Placers may require. **Contractor to provide 70 hours of actual hook time.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Integrity Rebar Placers is to perform its own hoisting, add \$\_\_\_\_\_. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

**BID PROPOSAL**

Project Name:	Caltrans 07-281504
Project Location:	LA and Ventura County
Engineer:	Caltrans
Date:	11/02/16
Estimate No:	ES 16-1102

Empire Steel Inc., hereinafter referred to as "Subcontractor", proposes to furnish labor and material for the abovementioned project, subject to the terms and conditions specified herein. Contractor agrees to accept and pay for the following described materials and labor, in accordance with the Concrete Reinforcing Steel Institute Manual of Standard Practice and the terms specified herein. Should Contractor desire to enter a contract with Subcontractor on the basis set forth above, please so indicate by signing and returning to us the original and one copy of this proposal which shall become a contract upon, but not before, final acceptance by us as indicated below. Upon such acceptance, a duly executed counterpart will be returned to you.

**Price: Please see attached STEEL PRICE SUMMARY**

Price is based on commencing work approximately January 31, 2017 and completion by December 31, 2017. Empire Steel Inc., reserves the right to negotiate for additional compensation if completion of this project is delayed beyond this date.

**This quotation is based upon information contained in the following documents:**

**EMPIRE STEEL INC.****PROPOSAL TERMS****Definition of Work**

- To furnish and/or install bar reinforcing steel for Caltrans 07-281504 project cast-in-place concrete structures (Austin Vault Sand Filters and Concrete Barrier Type 736)

**Special Notes**

- Galvanized dowels at expansion joints are EXCLUDED
- Material bond can be provided at a rate of 0.94% at cost to General Contractor
- Prices are based on shipments in min. 40,000 lbs shipments (14) trucklot – add'l \$550 per load
- 55 Hook hours to be provided by General Contractor

*Empire Steel Inc. reserves the right to sub-contract any portion of work herein.*

**General Conditions**

1. The following items are to be provided by Contractor, for use at all locations necessary, without charge to Empire Steel Inc.
  - a. Grades and lines for all concrete elements such as footings, slabs, walls, columns, openings, depressions, etc... Subcontractor will layout reinforcing bars from the contractor provided lines.
  - b. Templates/Starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by contract documents. Templates/Starter walls shall not be double formed before reinforcing steel is installed.
  - c. Racks, ramps, ladder support system, heavy duty scaffolding.
  - d. Full access to all working areas for material, equipment, and manpower.
  - e. Adequate space for delivery, assembly and storage of reinforcing steel bars and welded wire mesh, accessible to semi-tractor-trailer deliveries and adjacent to area where material is to be used and/or hoisted/lowered.
  - f. Adequate lighting and ventilation as required.
  - g. Adequate electrical power as required and compressed air (90 PSI Min.).
  - h. Drinking water, sanitary facilities, first aid service, shade structure, and emergency services.
2. Contractor shall provide adequate access to retrofit areas for rebar and coupler installation at no charge to Empire Steel Inc.
3. Contractor to furnish approved working drawings of the temporary support system for column cages, as required by the bid documents.
4. Contractor shall furnish, without charge, suitable crane service at regular working hours to hoist or lower our material to placing sites at the working level, and to set any prefabricated reinforcing steel bars or cage assemblies.

**EMPIRE STEEL INC.**

5. Upon Contractor's request for delivery of materials, all forms shall be clean and free of foreign materials prior to installation of steel.
6. Contractor is responsible for furnishing, installing, and maintaining any form of rebar cap or safety device on installed reinforcing steel bars or reinforcing steel bars on the ground/stored.
7. Contractor to furnish level spaces on jobsite of size and location that we may require for office, material storage, and material fabrication and shop facilities.
8. Contractor to furnish Quality Control Manager, if required by specifications, including the production of a Quality Control Manual.
9. Contractor shall provide at all times ongoing full access to all areas of the project for at least one (1) Subcontractor Foreman's truck to provide supplies and accessories as needed for the project.
10. Contractor will furnish parking spaces sufficient for Subcontractor field crews.
11. Contractor to furnish all cables, guys, and deadmen set, as required by Empire Steel Inc., to guy vertical reinforcing and or comply with temporary support system design.
12. Reinforcing steel bars ordered by Contractor, in lieu of Empire Steel Inc. field crew representatives, shall be the responsibility of Contractor.
13. Contractor shall remove and/or clean marks retained on concrete during layout of reinforcing steel bars if required.
14. Cleaning of formwork prior to the pour shall be by others.
15. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also, splices required due to low overhead, power lines and/or deficiencies in hoisting equipment, unless specifically shown on contract drawings at that particular location, shall be for Contractor's account.
16. Subcontractor shall not be liable for repair of any damage caused by others outside the control of Subcontractor. Approval for pouring or embedment in concrete shall terminate Subcontractor's responsibility for that portion of work.
17. Subcontractor shall not be responsible for any information furnished by others, including but not limited to structural design or details, placing drawings, bar lists, or bending details.
18. Re-detailing and/or estimating resulting from design changes shall be billed at the rate of \$75.00 per hour.

**Project Scheduling**

1. Architectural, Structural, and all other drawings and specifications containing information pertinent to the project, together with construction schedules to which Subcontractor is a party, shall be furnished by Contractor to Subcontractor in sufficient time to allow preparation and approval of placing drawings and details.
2. A minimum notice of seven (14) working days is required for fabrication and delivery of material to jobsite.
3. Subcontractor requires forty-eight (48) hours notice for cancellation of scheduled deliveries.
4. In the event of schedule delays caused by Owner, Contractor, or by other subcontractors, Empire Steel Inc. will be allowed to reschedule work in accordance with manpower availability not to exceed seventy-two (72) hours.

**EMPIRE STEEL INC.**

5. Bid price is based on placing during regular working hours, eight hours per day, and five days a week (all Union Holidays are observed). All work performed outside of such hours shall be charged at Subcontractor's standard rates for overtime, weekend, or holiday work.

**Finance**

1. Contractor to make a minimum of 100% monthly progress payments -Term Net 30
2. Charges for Subcontractor's account must be approved by signature of an authorized representative of the Subcontractor and submitted within 30 days.
3. Cost of Subcontractor show-up and/or stand-by-time, scheduled by Contractor, when work is not ready shall be for Contractor's account. A sufficient amount of work area must be ready and available for at least eight (8) hours of work per man scheduled that day.
4. If Contractor works multiple shifts, and/or overtime and Subcontractor finds it necessary to do likewise, all additional cost including premium time shall be for Contractor's account.
5. No material shipments for this project shall be made until a written contract, between Contractor and Subcontractor, for Subcontractor's work has been executed.
6. In the event of any proposal under a reduction incentive provision of the General Contract, Contractor shall protect Subcontractor's interest as they may appear and shall keep Subcontractor fully apprised of all other proposals, which may affect Subcontractor's work.
7. Contractor shall offer Subcontractor the right to participate fully in all negotiations relevant to Subcontractor's work.
8. Storage claims for all items must be made within twenty-four (24) hours of delivery.

**Indemnity**

1. Subcontractor's responsibility under any indemnification of hold harmless provisions applicable to the work undertaken herein is restricted to that resulting solely from the negligent acts or omissions of Subcontractor, its agents or employee's, arising out of its performance of work specified in the proposal.

**Insurance**

1. Subcontractor's insurance will not include a "Waiver of Subrogation" in favor of others.
2. ***Subcontractor has the following insurances coverage: Workers' Compensation-Statutory; General Liability-\$1 Million/\$2 Million; Automobile-\$1 Million; Umbrella-\$0***
3. ***Excludes additional insurance (excess/umbrella) costs other than coverage as previously stated.***

**EMPIRE STEEL INC.****EXCLUSIONS****Material Exclusions**

1. ***Hoisting (all crane work), to be provided by GC at no cost to Subcontractor***
2. Plain (smooth) round bars, threaded bars, sleeves, anchors, studs, bolts, embeds, and inserts.
3. Wrapping, coating, sheathing/sleeves, painting, and/or greasing of reinforcing steel and/or wire mesh.
4. Cutting, burning, cleaning, straightening and /or bending of existing steel and/or improperly placed drill and grout/bond dowels.
5. Drilling, coring, grouting, dry packing and the placing of bars into and/or through drilled holes.
6. Cleaning, sandblasting or reworking of any steel due to negligence of other.
7. Protection of exposed steel for future construction.
8. All electrical bonding (grounding and grounding materials).
9. The cost of reworking, rehabilitating and/or replacing reinforcing steel and/or mesh damaged or lost as a result of flood conditions.
10. Scaffolding.
11. Trash bins.
12. Rebar for repair and/or reconstructing concrete work.
13. Any Bid Item(s) not specified herein.
14. Field bending or bending of stems in the field.

**Labor Exclusions**

1. Cost of pour watchman.
2. Cost of a Quality Control Manager.
3. Traffic control and flagmen, if required.
4. Grades, lines, and templates.

## SCOPE OF WORK/PRICE - REVISED

BID ITEM	DESCRIPTION	QUANTITY	UNIT PRICE	TOTAL
56(F)	Bar Reinforcing Steel	486,019 LB	\$ 0.8140	\$ 395,625.00
82(F)	Concrete Barrier (Type 736)	999 LF	\$ 29.8699	\$ 29,840.00
				\$ 425,465.00

### HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc., including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and/or assemblies, and power placing of individual bars that LA Steel Services may require. Contractor to provide a minimum of 72 hours of actual hook time.

### SPECIAL NOTES:

1. LA Steel Services' pricing is based on the General Contractor providing a Material On Hand payment sufficient to cover the next 60 day anticipated value of material that will be billed every subsequent 60 days for the duration of the job or payment of our monthly invoices on a net 30 day basis.
2. Payment and Performance Bonds excluded.
3. Night work is excluded except by additive quote.

### SCOPE OF WORK EXCLUSIONS

1. All testing and inspection and/or any related costs thereof other than mill test reports. (Rebar, mechanical couplers and/or welded hoop test bar samples to be provided F.O.B. trucks jobsite).
2. As-Built Drawings (Shop Drawings).
3. Plain (smooth) round bars or dowels, threaded bars, form savers, rods, sleeves, sheathing, anchors, studs, bolts (anchor & misc.), and inserts.
4. Wrapping, coating, painting and/or greasing of reinforcing steel and/or wire mesh.
5. Supplying, installing, and /or maintaining any form of rebar cap or safety device on installed reinforcing steel or reinforcing steel on the ground/stored (per latest OSHA Standards).
6. Cost of pour watchman.
7. All permits and licenses, other than city/county business licenses and State Contractor's license, required for the work.
8. Cutting, burning, cleaning, straightening and/or bending of existing steel and/or improperly placed drill and grout/bond dowels.
9. Drilling, grouting, and dry packing/placing bars in drilled holes
10. Payment and/or Performance Bonds.
11. Furnishing and/or welding of dowels/anchors to miscellaneous steel and/or structural steel
12. Metal tags (LA Steel Services or fabricators standard tags will be used to identify steel).
13. Any and all reinforcing steel, and/or wire mesh not shown on drawings unless specifically included in Scope of Work/Price.
14. Placing or Shop Drawings prepared, reviewed, sealed or stamped by a licensed engineer.
15. Providing and/or laying out holes in structural steel for reinforcing bars to pass.
16. All electrical bonding and/or grounding material (i.e. welding for cathodic protection).
17. All welding.
18. Reinforcing for precast concrete items.
19. Reworking of any reinforcing steel and/or post-tensioned cables extending from precast piles.
20. Epoxy Coated/Galvanized deformed and/or plain bars and/or wire mesh.
21. Field bending of rebar other than by additive quote.
22. The cost of reworking, rehabilitating and/or replacing reinforcing steel damaged or lost as a result of flood conditions. If storm damage should occur, responsibility for steel fully or partially in place, and for steel stored in locations designated by Contractor, shall be for Contractor's account.
23. Traffic control (lane closures, barricades, flagmen, signs, lights, etc.).

**Requirements:** USS Cal Builders is seriously seeking certified and qualified DBE (12% Goal) subcontractors and/or suppliers. If requested, USS Cal Builders can assist DBE subcontractors in obtaining plans and specs, bonds, lines of credit and insurance in the preparation of this project. Also if requested, USS Cal can assist DBE subcontractors in obtaining equipment, supplies, materials or related assistance or services in the preparation of this project. USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment. The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable. USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications. Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal

submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor. This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement. USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union. The submittal of a proposal by the subcontractor constitutes knowledge and acceptance of the requirements contained herein.

A Subcontractor providing a proposed bid/price will be viewed as accepting SCCI's Standard Long Form Subcontract. 100% Performance and Payment bonds with a surety company acceptable to of Shimmick Construction are required of subcontractors. Shimmick Construction will pay bond premium up to 1.0%. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest Shimmick Construction Standard Long Form Subcontract incorporating prime contract terms and conditions, including payment provisions-subcontract draft copy available upon request. Subcontractor must provide insurance coverage for their work as required by the Prime contract or Shimmick minimum ? whichever is greatest. Shimmick's minimum insurance requirement is: General Liability \$1M-Per Occurance/\$2M-Agg/\$2M-Completed Operations; Excess Liability \$5M; Auto Liability \$1M; Workers Comp & Employer Liability \$1M. Shimmick Construction's listing of a Subcontractor is not to be construed as an acceptance of all of the Subcontractor's conditions or exceptions included with the Subcontractor's price quote. Shimmick requires that Subcontractor and Supplier price quotes be provided at a reasonable time prior to the bid deadline to enable a complete evaluation. For assistance with bonding, insurance or lines of credit contact Scott Fairgrieve at (510) 777-5000. Shimmick Construction Company, Inc. is An Equal Opportunity Employer

**Requirements:** Blois Construction, Inc. is seriously seeking certified and qualified DBE (12% Goal) subcontractors and/or suppliers. If requested, Blois Construction can assist DBE subcontractors in obtaining plans and specs, bonds, lines of credit and insurance in the preparation of this project. Also if requested, Blois Construction can assist DBE subcontractors in obtaining equipment, supplies, materials or related assistance or services in the preparation of this project. Blois Construction, Inc is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment. The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to Blois, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable. Blois Construction is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. Blois Construction's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications. Each listed subcontractor must execute Blois Construction's standard subcontract agreement if Blois Construction is awarded the project; the standard subcontract is available for review on Blois Construction's website and at Blois Construction's office. At the discretion of Blois Construction, any listed subcontractor that withdraws its bid after Blois Construction submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor. This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement. Blois Construction, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union. The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

**Subject:** RE: Caltrans District 12 Workshops - Batavia Maintenance Station -June 22, 2016

Good morning,

We like to put it in our good faith binder. I understand, we can send it to the attendee if you prefer.

Thank you for your help.

---

**From:** Dorn, Damon L@DOT [mailto:damon.dorn@dot.ca.gov]

**Subject:** RE: Caltrans District 12 Workshops - Batavia Maintenance Station -June 22, 2016

Hello...

May I asked why you are requesting a copy of the sign in sheet? The sign in sheet has the attendees personal signatures and email address. Is there something specific that you are looking for? Please understand I will have to make a request and get permission before releasing any information... Damon

**Subject:** Caltrans District 12 Workshops - Batavia Maintenance Station -June 22, 2016

Hello ...

This is E-mail is being sent to you because you registered online for one of two workshop being held at the Caltrans District 12 – Batavia Maintenance station on June 22, 2016. Please be aware that there are two workshops that will take place on Wednesday June 22, 2016 at the Caltrans District 12 – Batavia Maintenance Station Facility. So in an effort to prevent scheduling misunderstanding, if you are planning on attending the PRIME CONTRACTOR TRAINING it will take place in the morning from 9:00 a.m. – 12:00 p.m. and the DBE CERTIFICATION WORKSHOP will be held in the afternoon from 1:00 p.m. – 4:00 p.m. For those individuals that requested more than one ticket, please share this information with your other parties. Thanking you in advance... Damon

- PRIME CONTRACTOR TRAINING – June 22, 2016 (9:00 a.m. – 12:00 p.m.)
- DBE CERTIFICATION WORKSHOP - June 22, 2016 (1:00 p.m. – 4:00 p.m.)
