Re: 07-287204

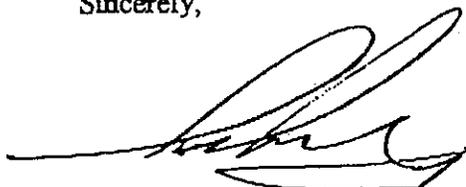

Dear Mr. McMillan,

This is in response to your letter dated November 14, 2014 stating that you received a letter form STL Landscape, Inc. (STL) protesting our bid. We listed the subcontractor for line item No. 53 (Minor Structure) which the subcontractor is going to perform 100% of the steel rebar portion of the work. If (STL) was to make this more than what it is they are wrong, because based on previous bids Martinez Landscape was required to list 100% of subcontractor's portion of the work that they are performing, and in this case the C-50 license contractor which he is listed for reinforcing steel for this Line Item No. 53 (Minor Structures), not the slope paving.

As far as we see Martinez Landscape has a good responsive bid and see no reason why this is an issue.

Please contact me at (818) 612-2467 if you have any questions or concerns.

Sincerely,

Salvador Martinez
President
