Dear Mr. Fard:

The Department of Transportation (Caltrans) received a bid submitted by United Engineering & Construction, Inc. (United Engineering) for Contract No. 07-287304 on November 6, 2014. By this letter, Caltrans notifies United Engineering that its bid is nonresponsive since United Engineering did not comply with Contract Revised Standard Specifications, BID DOCUMENT COMPLETION AND SUBMITTAL, Section 2-1.33, which states in part:

"...The Subcontractor List must show the name, address, and work portions to be performed by each subcontractor listed. Show work portions by bid item number, description, and percentage of each bid item subcontracted".

On the Subcontractors List form under Percentage of Bid Items Subcontracted, United Engineering listed the percentages for all bid items as a percentage of the total contract bid, rather than the percent of work to be performed. As a result, these percentages did not adequately represent an equivalent value/portion of work to be subcontracted.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
